Yuuya Fungami—— was heavily injured (again) by Josuke's Crazy Diamond. he was forced to stay in the hospital for a few more months, Josuke told him if he tries to use Highway Star to suck people's nutrition again. he will come to the hospital and personally fix him...

Rohan Kishibe —— Was saved by Josuke, he should be very grateful but instead Rohan is still angry at Josuke because of earlier Josuke didn't take Rohan's advice to escape. after this, the two still keep their distances to each other.

Koichi Hirose —— After this, he took his dog out for a walk.

THE CAT LIKES YOSHIKAGE KIRA. 1.

之其①

哎呀啊啊啊啊啊啊啊啊

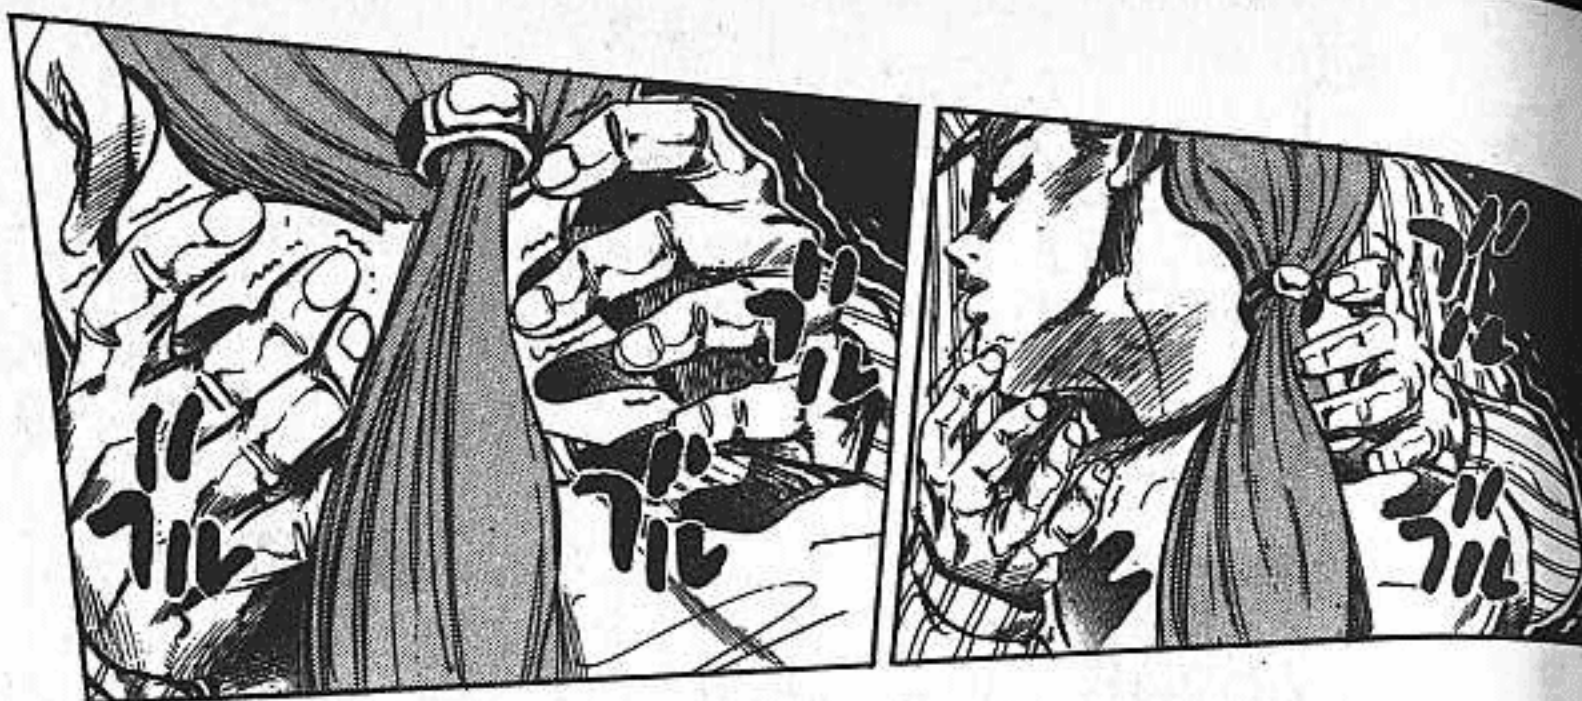

Kosaku!!

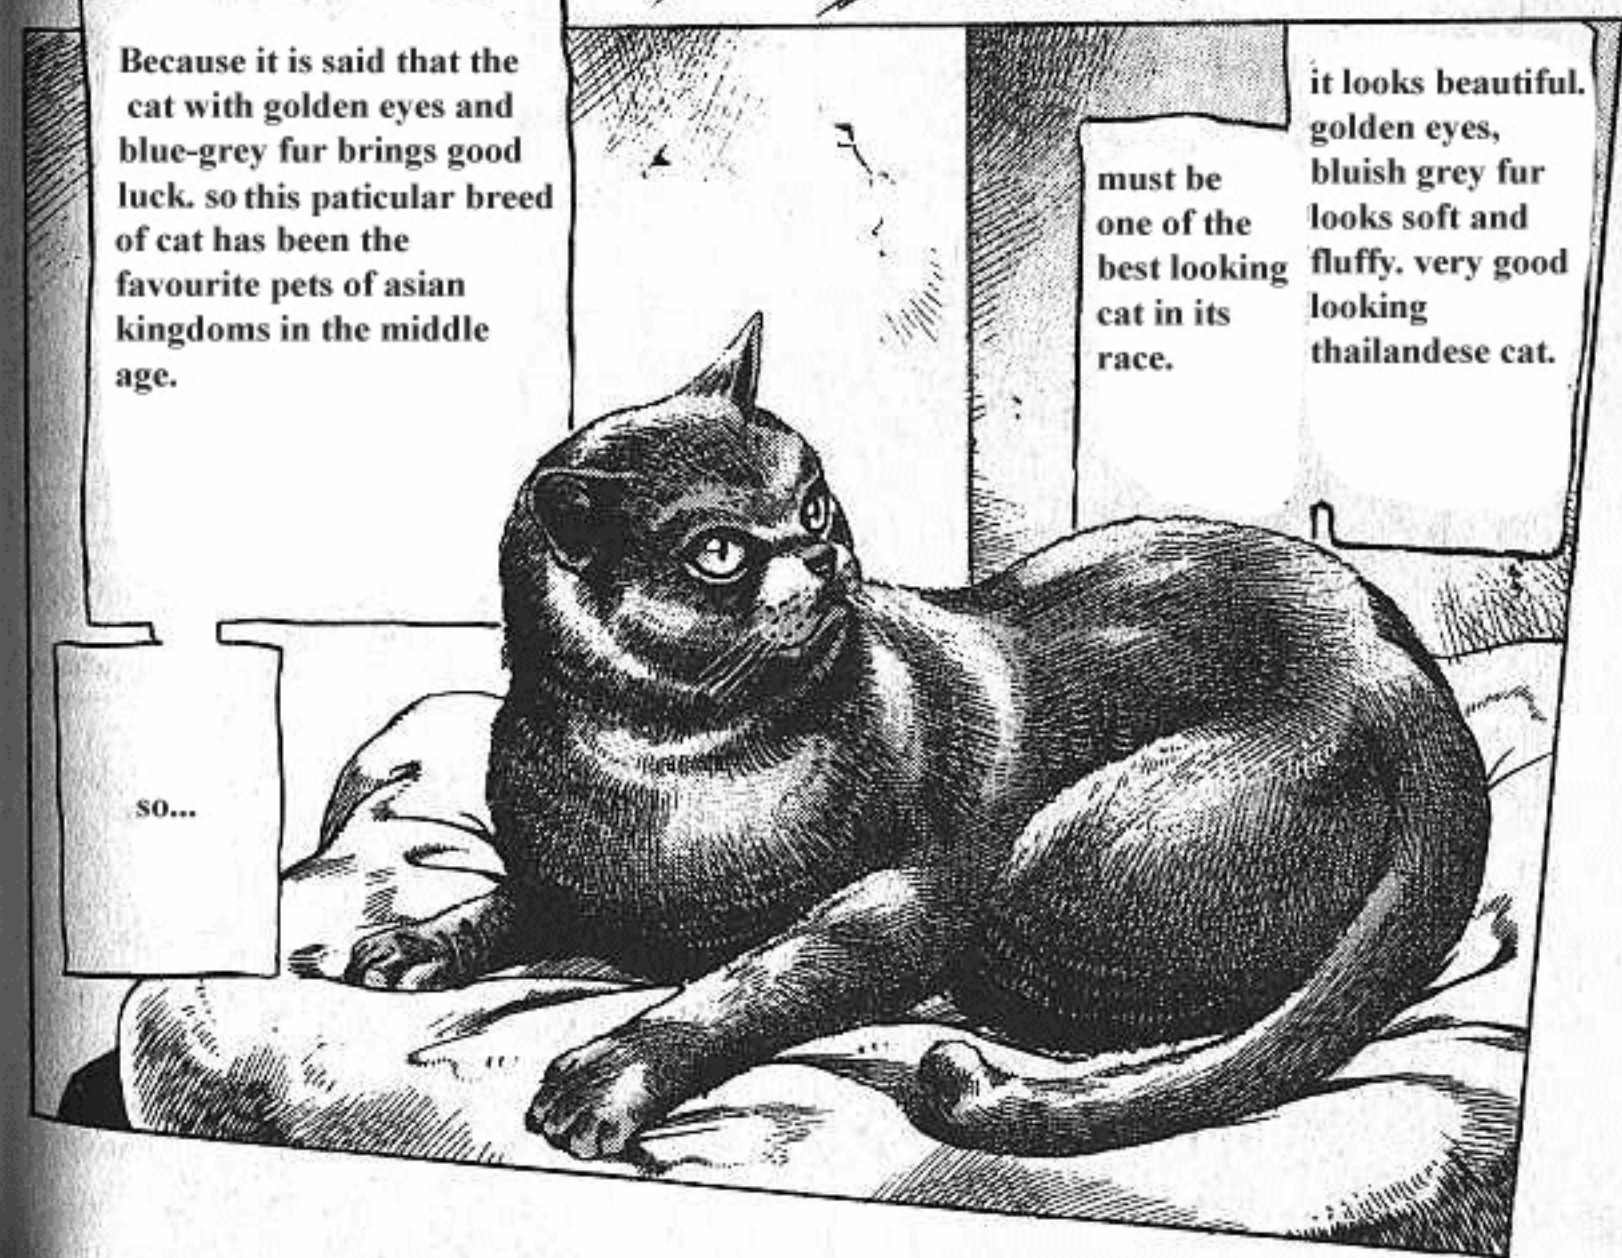

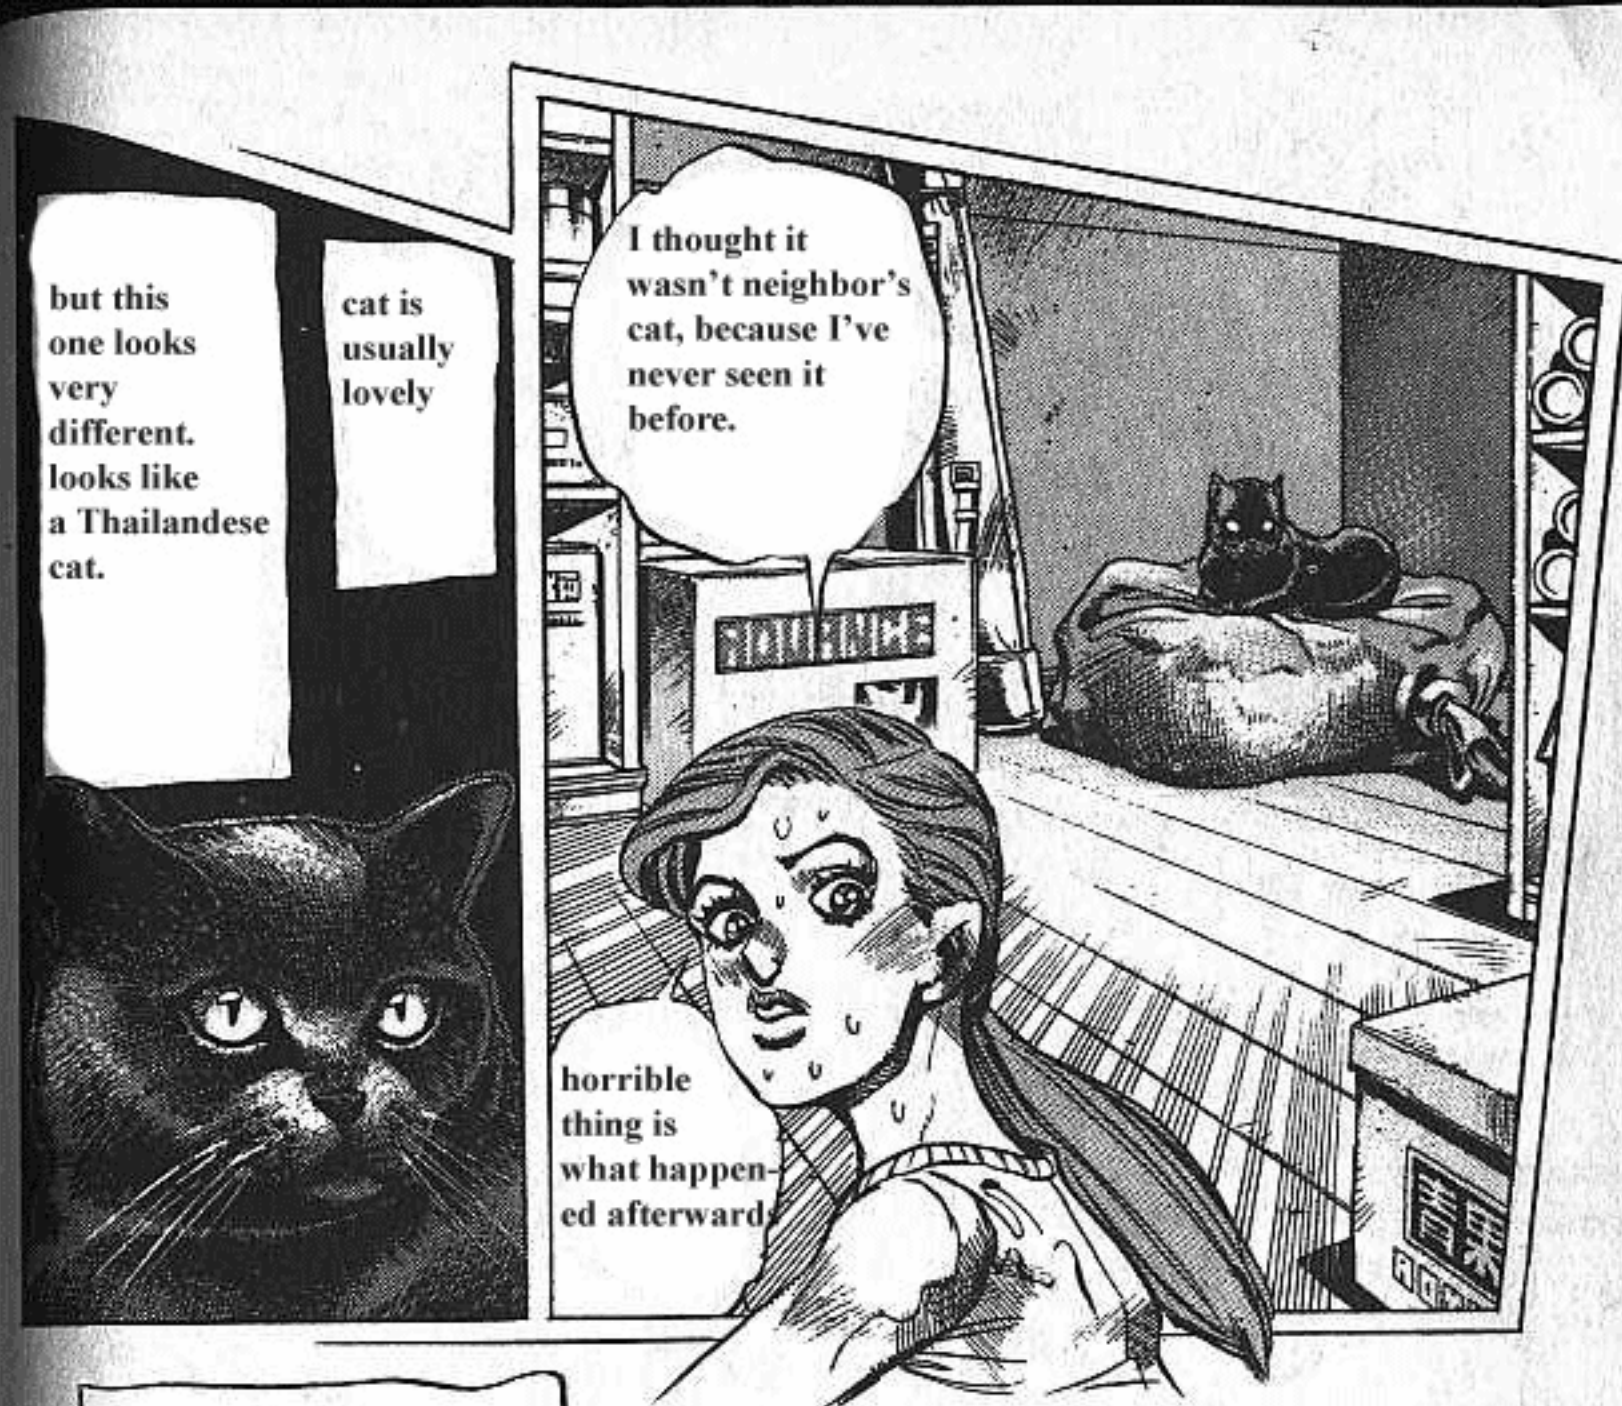

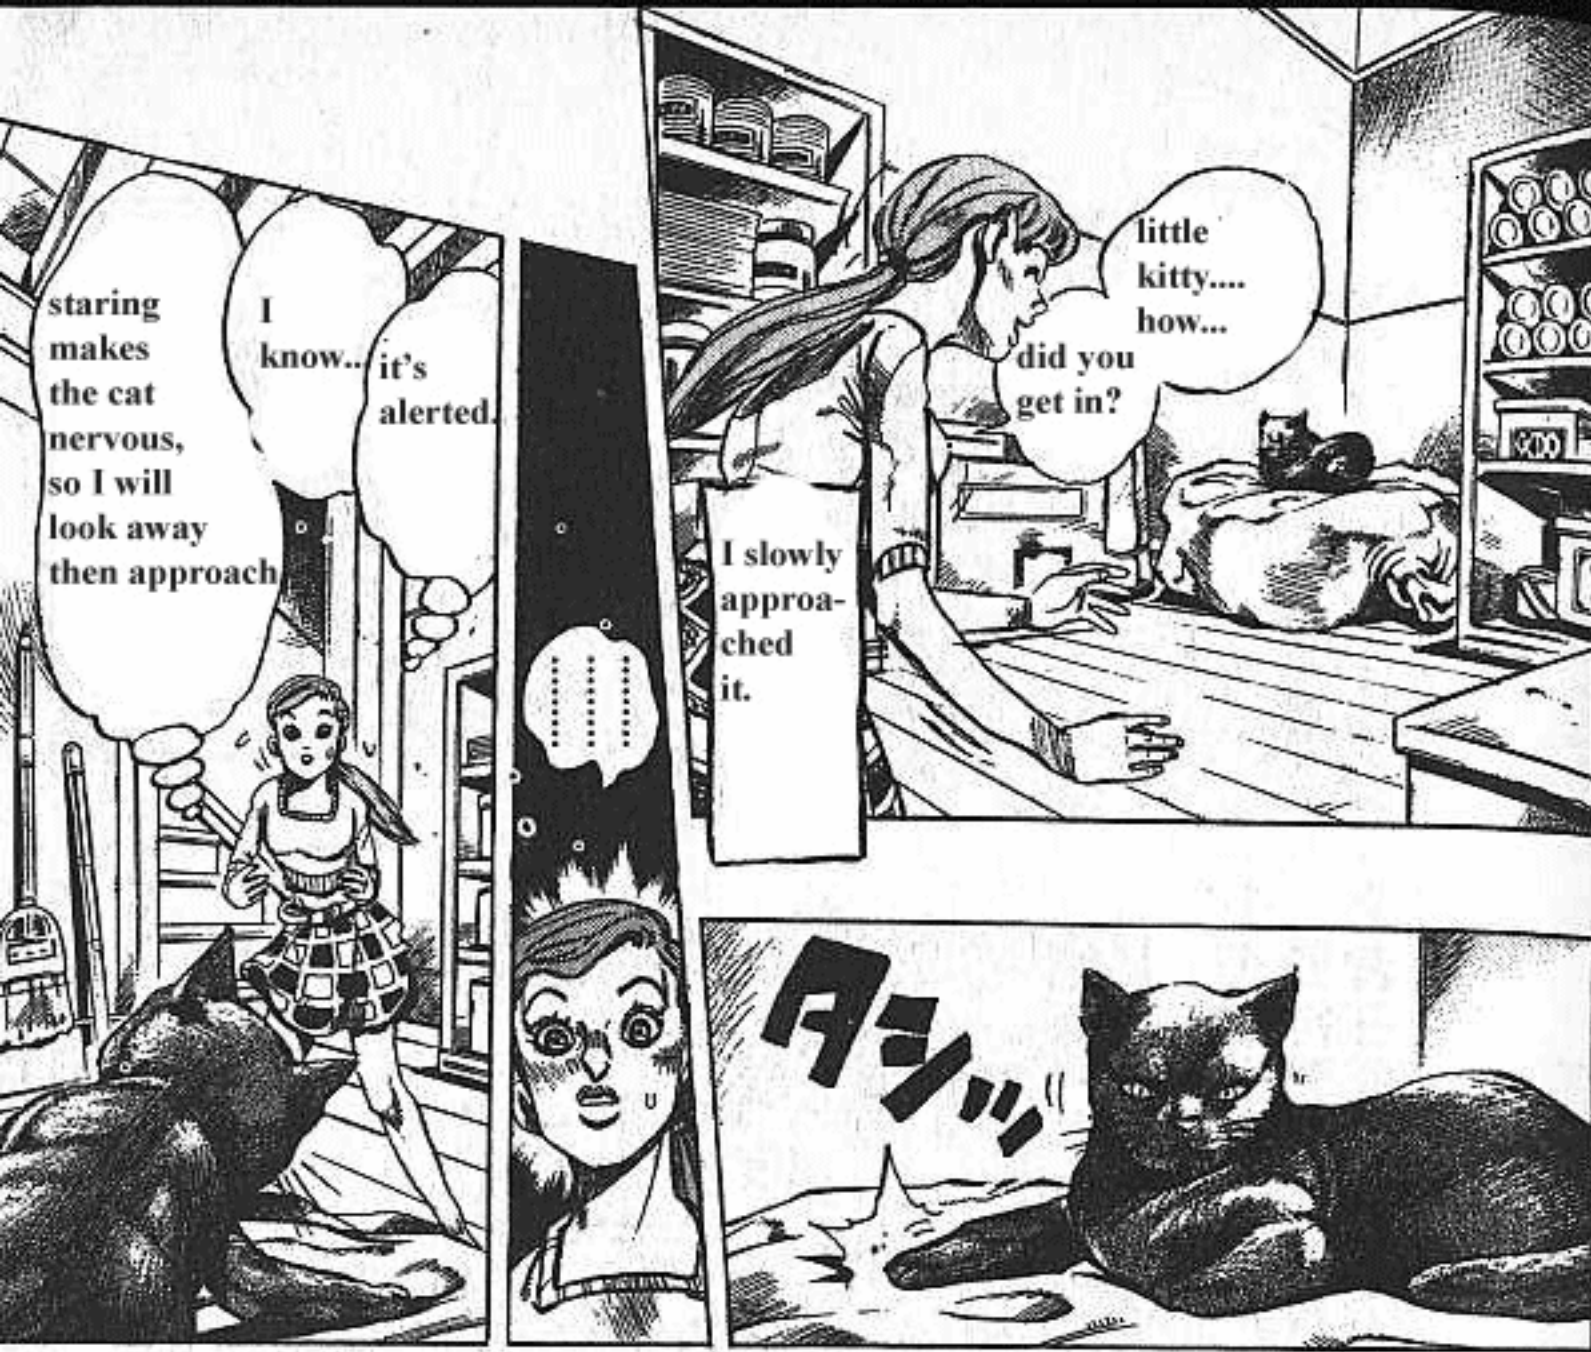

wear different sizes might make me suspicious

I saw the brush on the wall so I decide to throw that to the cat to scare it away.

Does it think this is its own place?

What am I doing here? I can just say "this is my house, please get out!" why do I have to do all these things just to make it happy?

I am not kidding!!

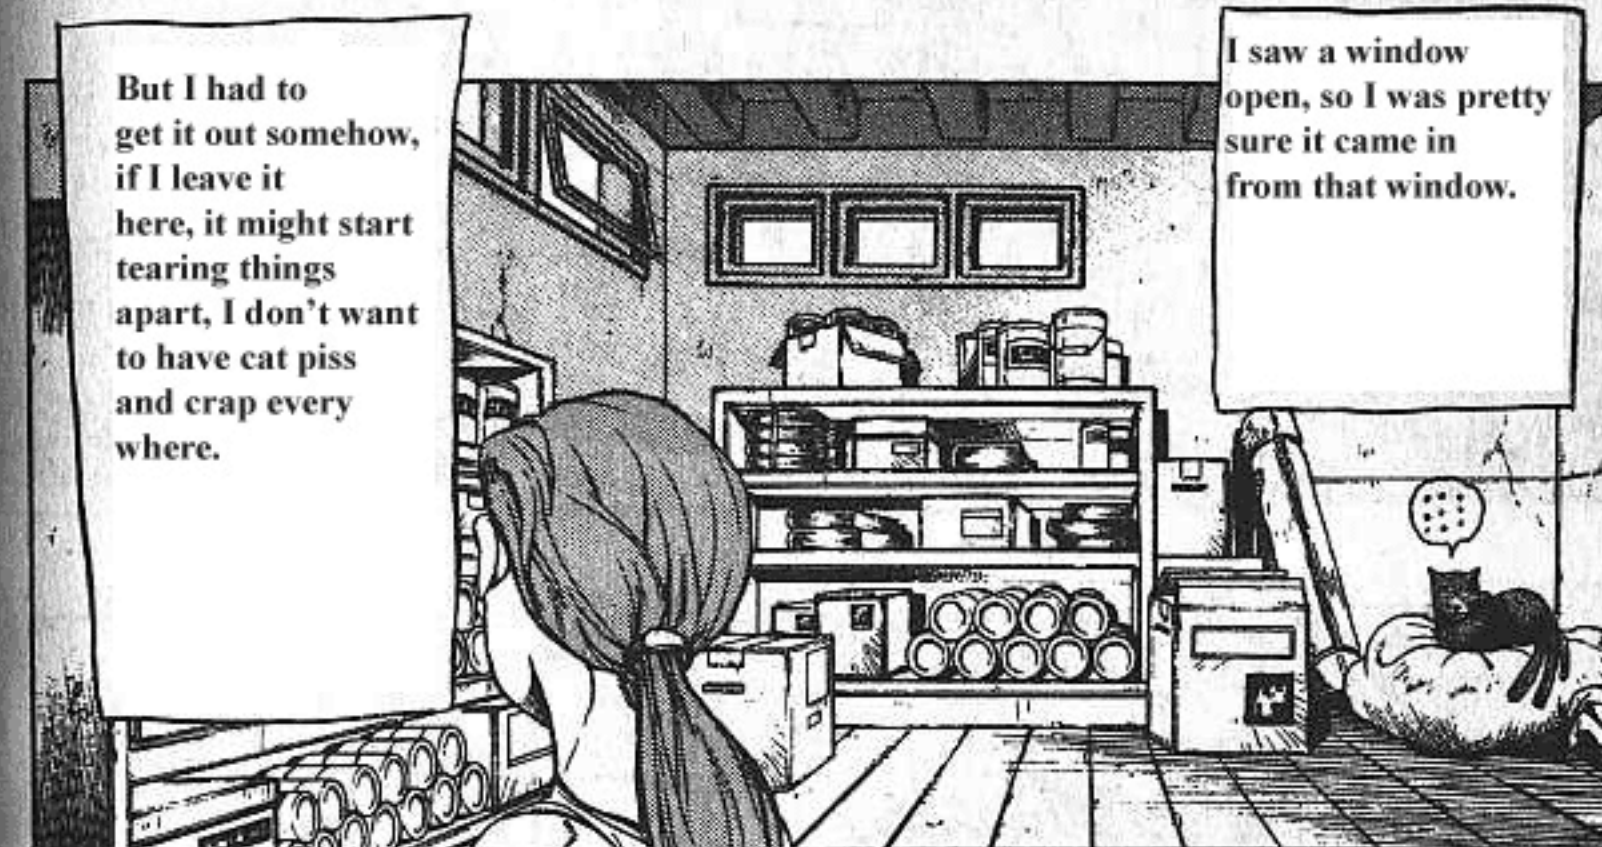

Get outta here! or I will hit you with this!

it's not in guarding stance now.

But I had to get it out somehow, if I leave it here, it might start tearing things apart, I don't want to have cat piss and crap every where.

I saw a window open, so I was pretty sure it came in from that window.

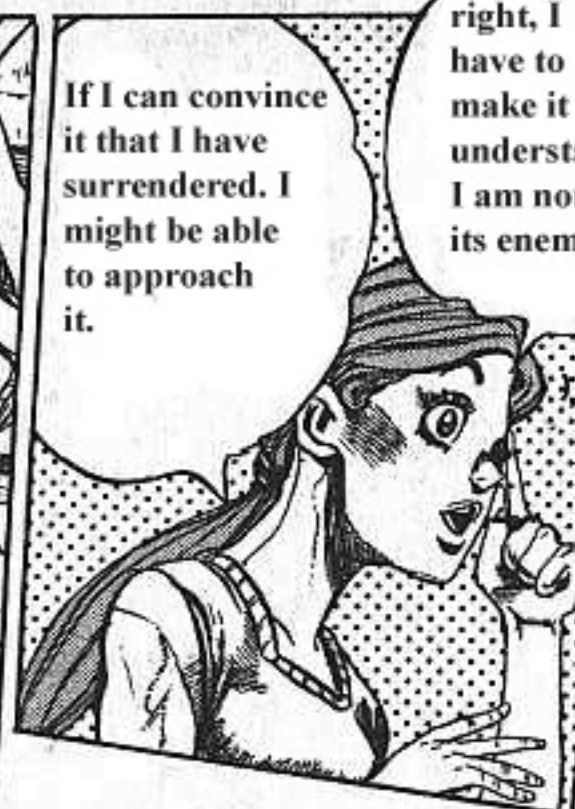

we cant be friends now

see? I surrender

If I can convince it that I have surrendered. I might be able to approach it.

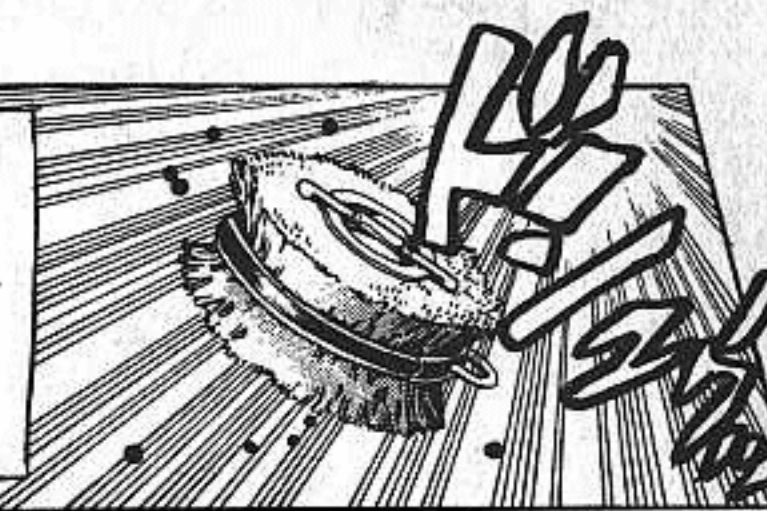

right, I have to make it understand I am not its enemy

I took aim  
and threw  
that brush...

I was really  
pissed off.

I took out  
a broom,  
ran to  
the cat and  
trying to  
force it  
outta the  
window!

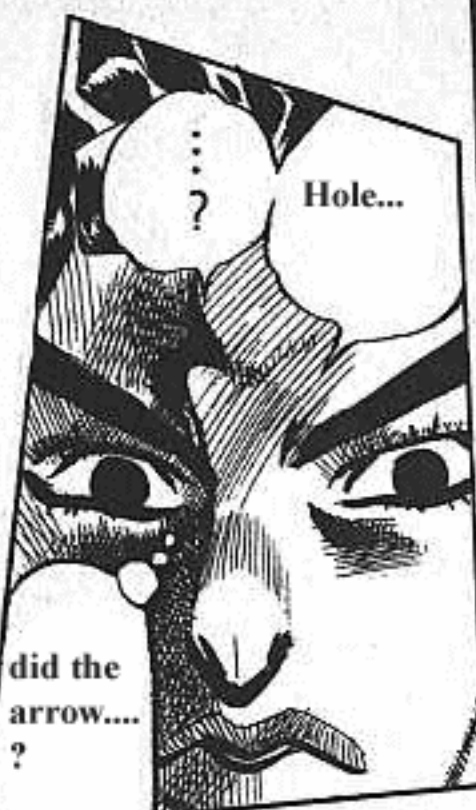

It was yawning and  
rolling on the  
potato bag.

It didn't even  
look at the  
brush straight,  
just swayed  
its tail and the  
brush was  
bounced away.

Hole...

did the arrow....?

From that hole I heard voices, at least I thought I heard some voices coming outta the hole...

so scary...

you go down and take a look.

really

I was pissed and scared, so I went crazy with the broom and ran upstairs...

a hole...

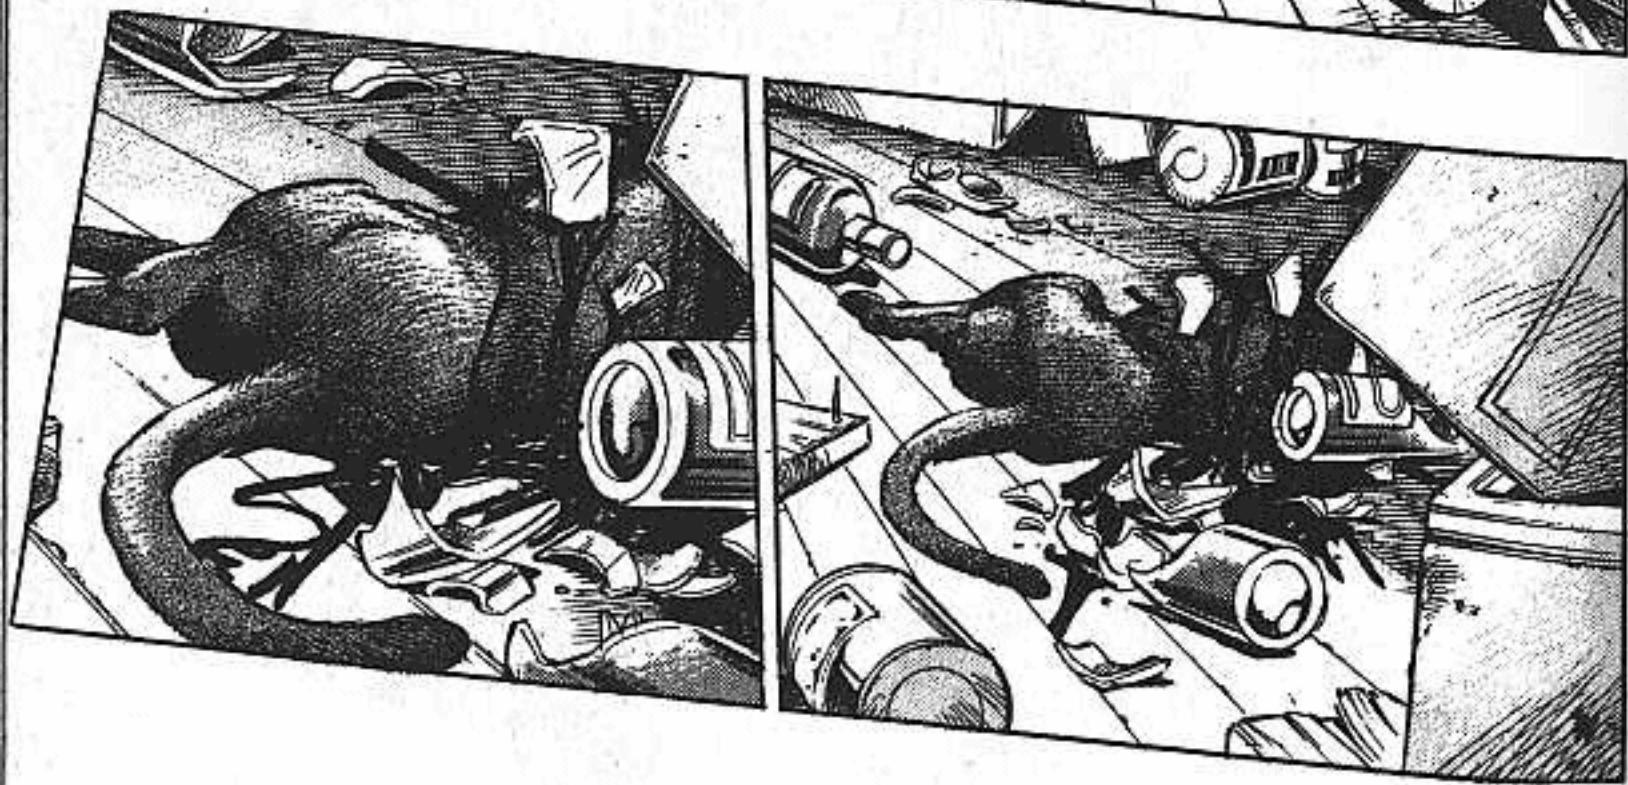

But the cat... it was like spider man, hooked on to the ceiling...

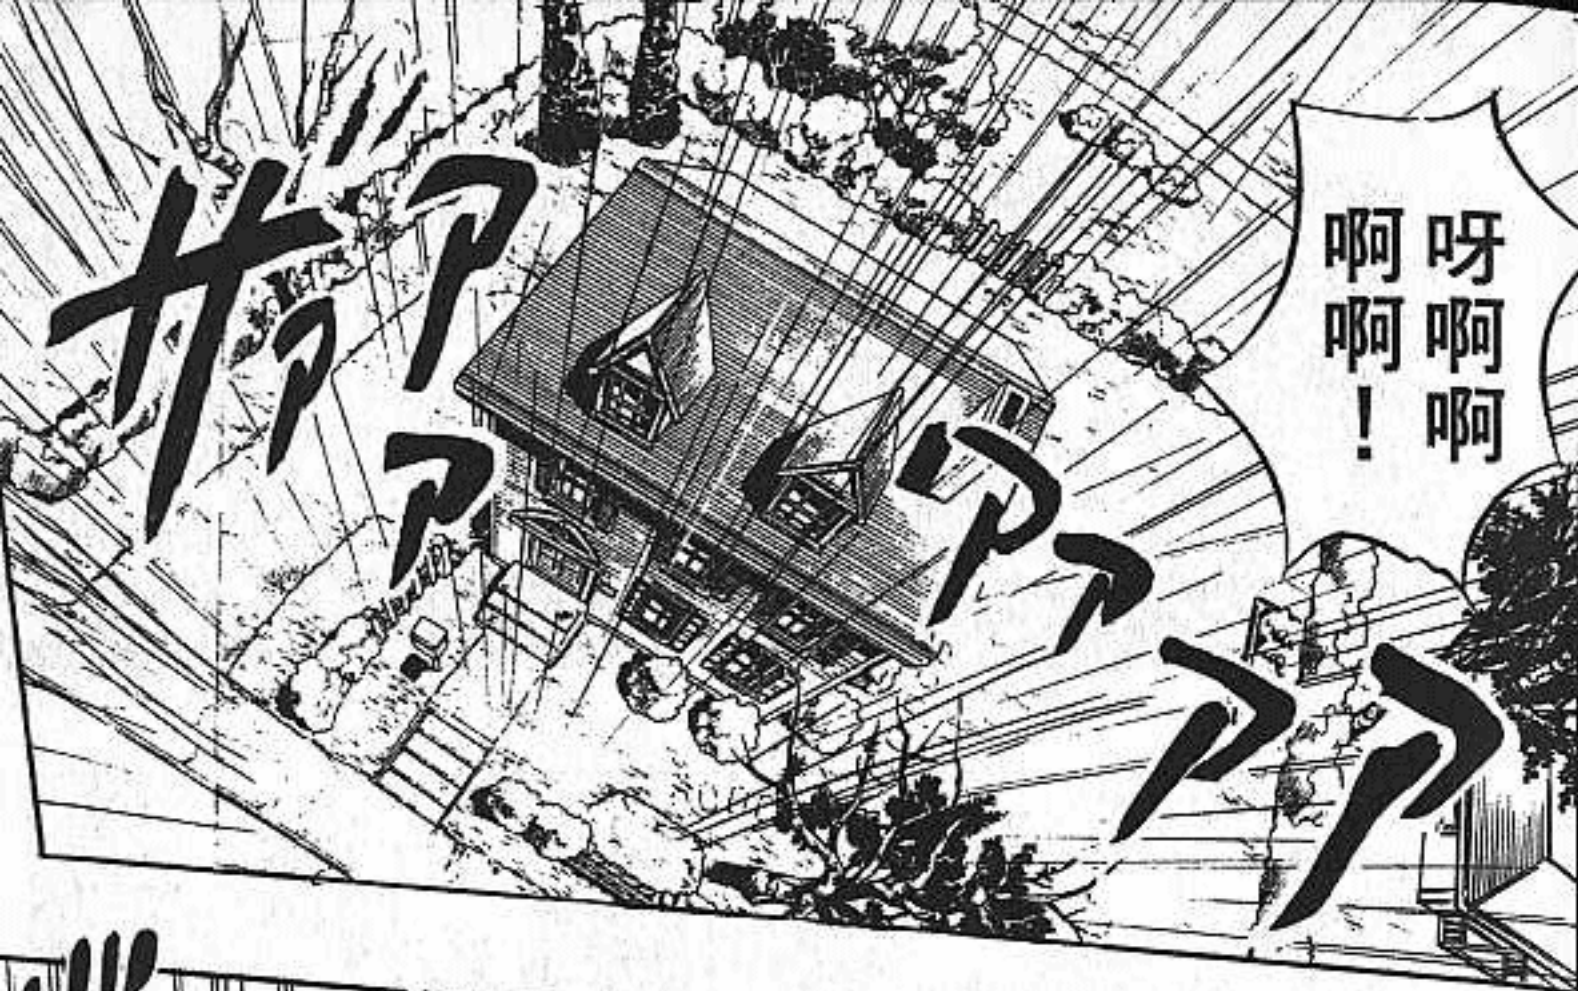

That hole was big and dark, looks deep, right around the chin and the neck area, about a quarter's size.

That was not really scary, but what I saw after really scared me. There was a big hole on its chin.

啊呀  
啊啊！

NO. it can't  
be a stand user!

There is indeed  
a hole under  
its face, can't tell  
it's caused by the  
glass shards or  
the arrow...

Can't tell  
whether it  
is a stand  
user...

are you  
mistaken?!  
it won't have  
died!

I just used  
the broom  
to try to scare  
it off,

WAIT  
A SECOND!

see, some  
shards are  
embedded  
in its throat.

Looks like it's  
been killed by  
the glass  
shards from the  
broken wine  
bottles.

I know...  
This is just  
an accident.

this is not  
your fault,  
it's just not  
lucky.

this is  
not your  
fault.

I know...  
keep your  
cool.

not anyone's  
fault

we don't  
know whose  
cat this is,  
so just bury  
it in the  
backyard.

呀  
啊啊  
啊啊！

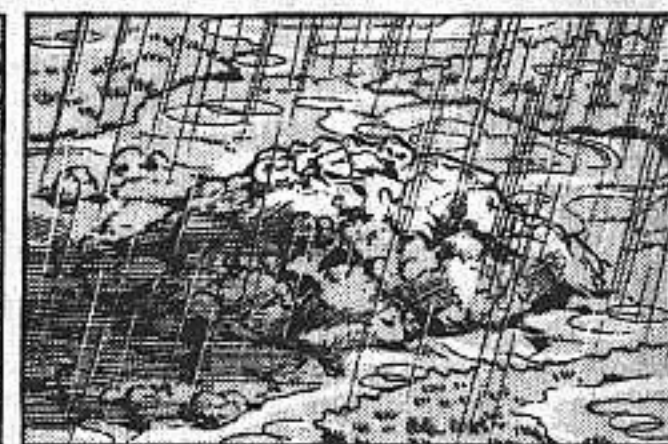

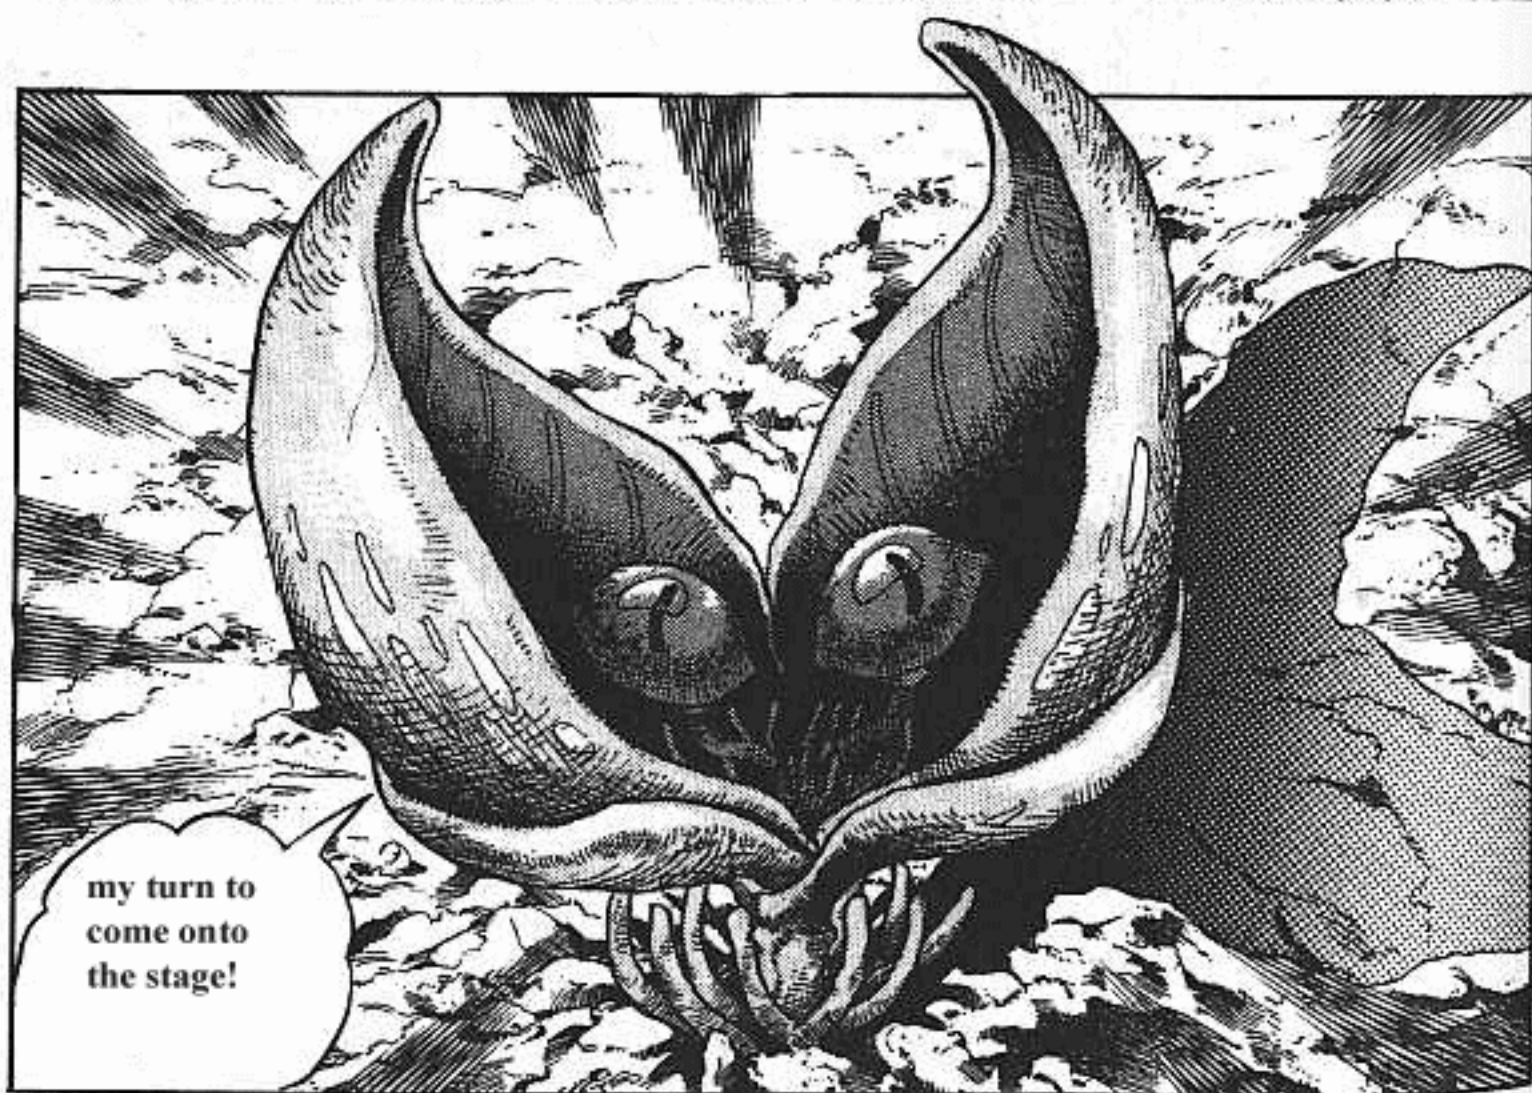

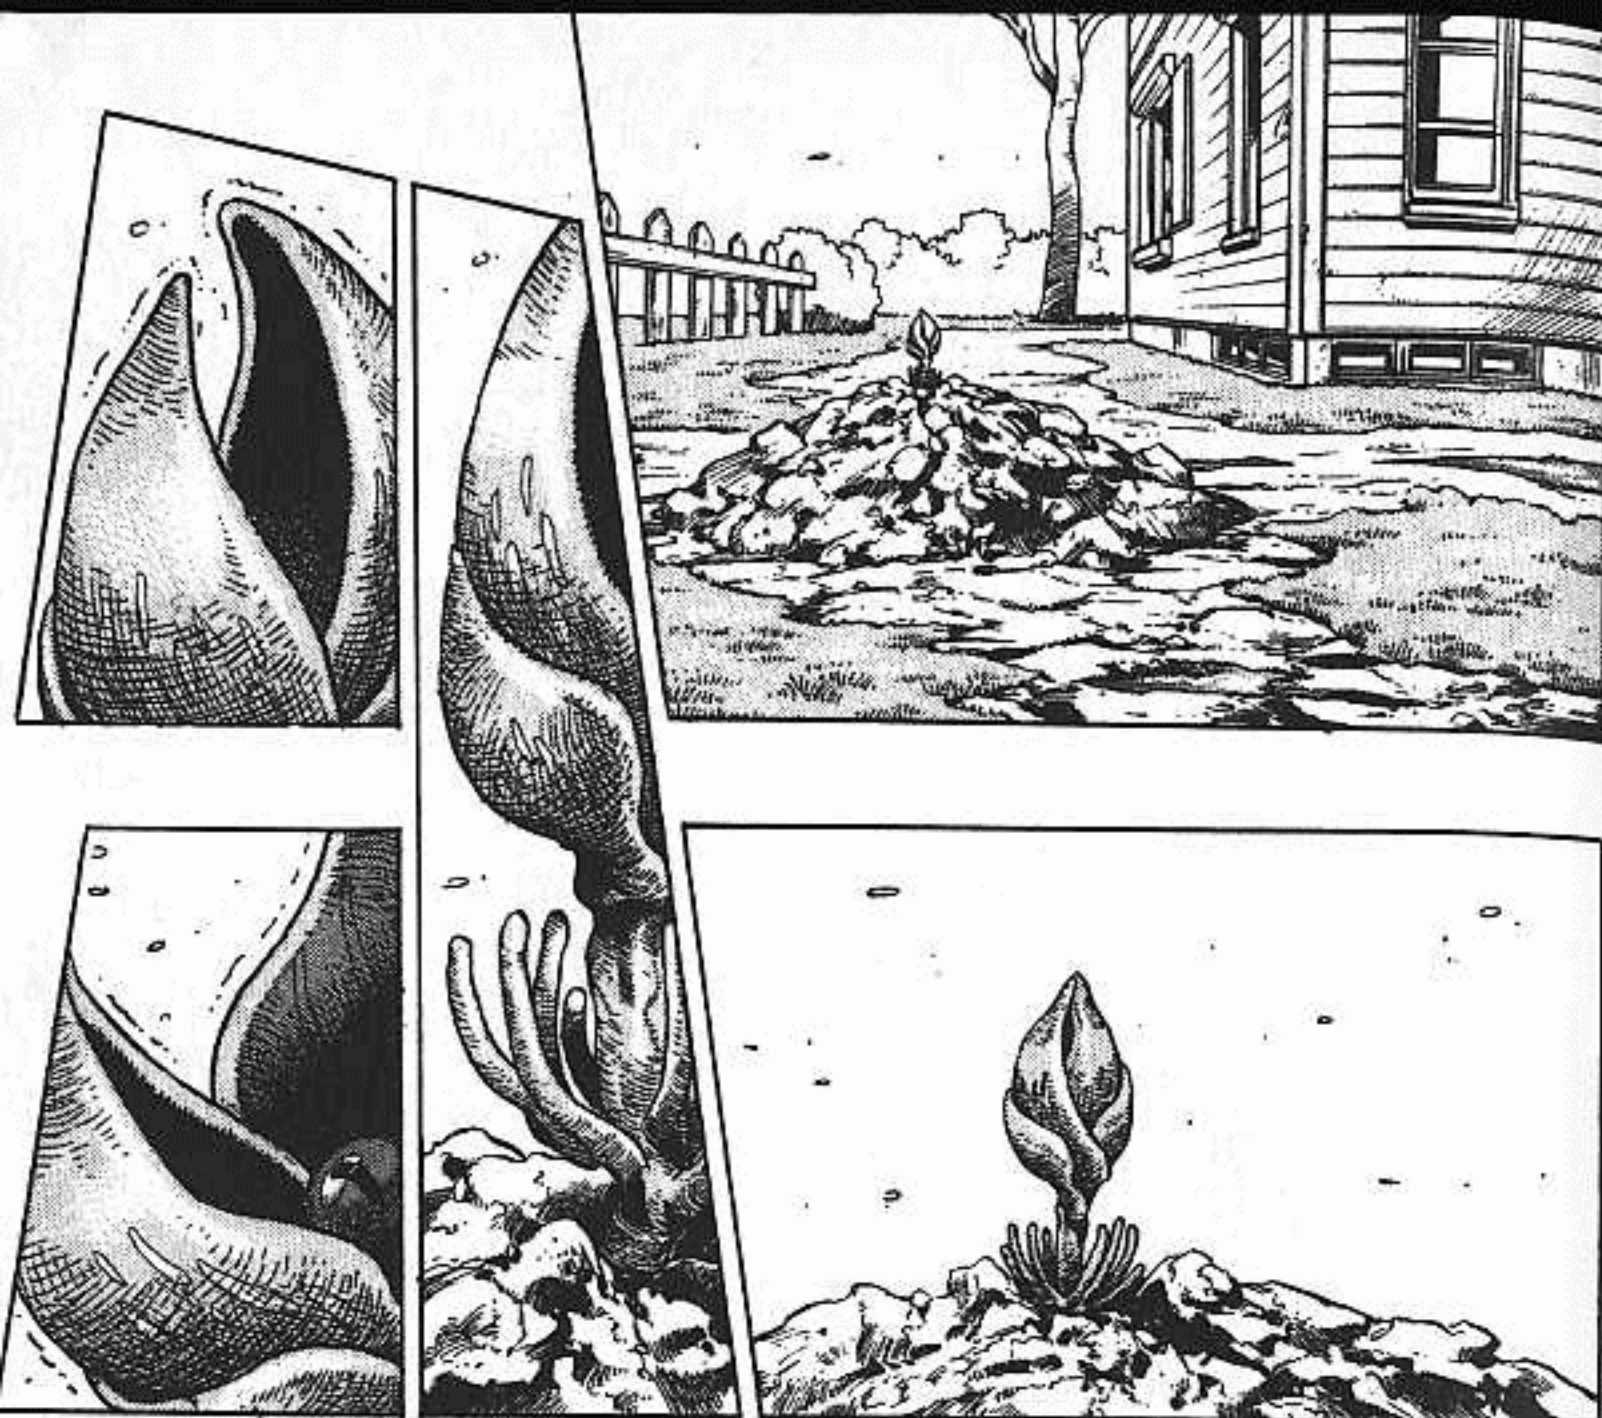

I didn't  
want to  
kill  
it!!

呀  
啊啊！

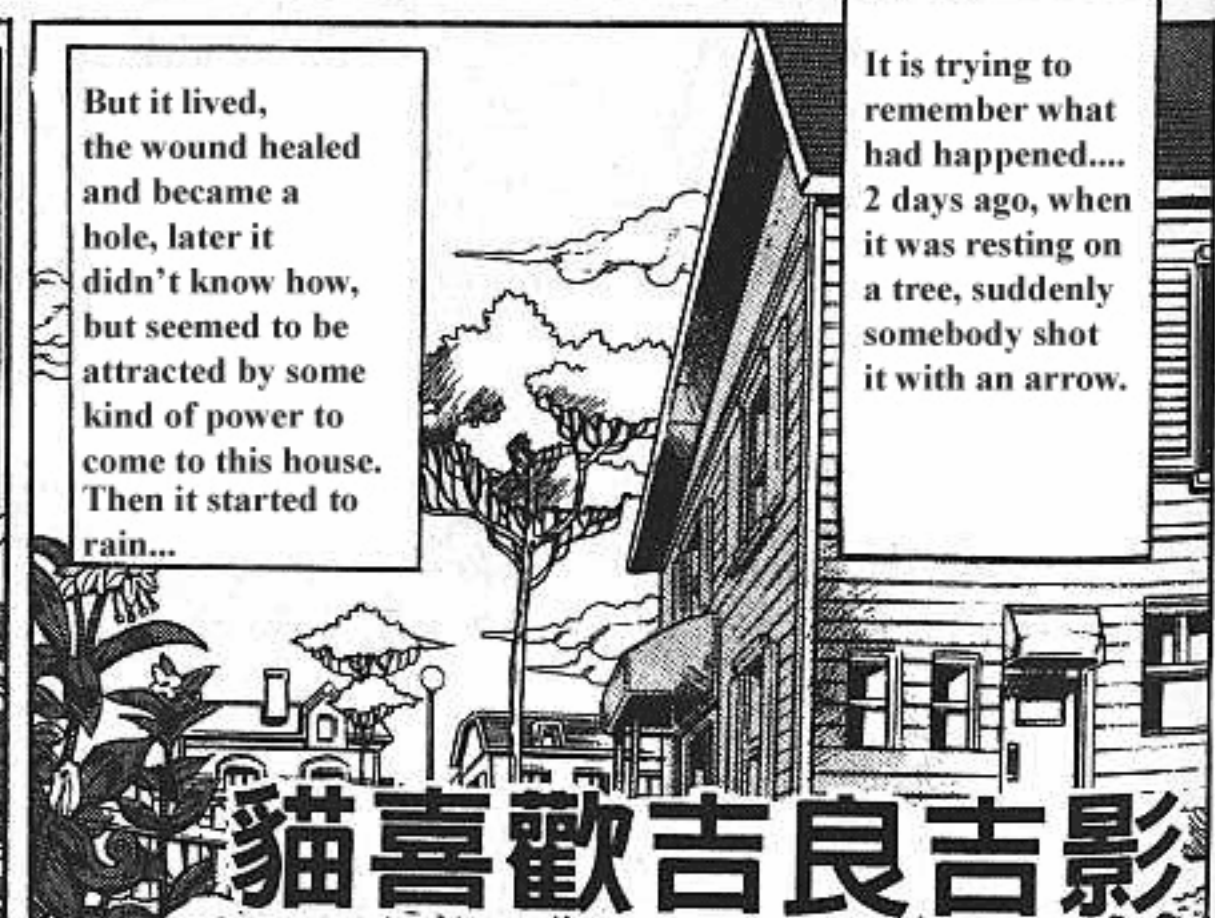

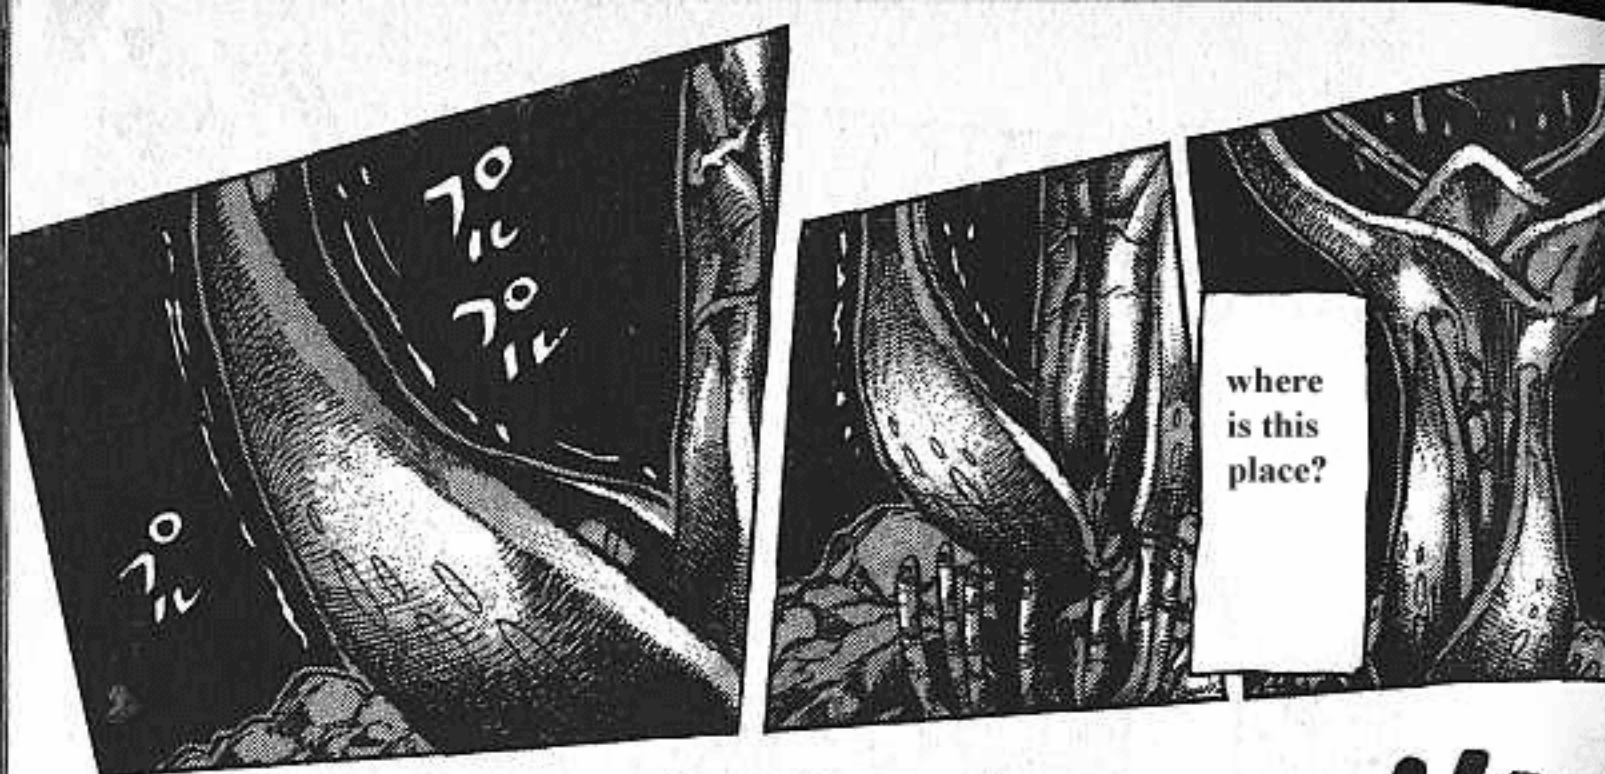

impossible!

啊啊！

貓喜歡吉良吉影  
之其②

it raised  
its head,  
looked at  
the bright  
morning  
sun.

It was thinking  
very hard....  
but it still can't  
remember what  
had happened....

then it tried  
to make itself  
comfortable  
by licking its  
fur all over the  
body.

But it wanted  
to continue  
licking its  
tail.

It was  
thinking  
how it  
got those  
.....

It saw  
grass  
and dirt  
on its  
front  
paws

恩？

Because its  
fundamental of  
life is to live  
relying on its  
own survival  
instincts

Then what?  
It's been trying  
to remember.

## 之其②

why can't jump?  
it likes to chase  
moving objects...  
but its feet can't  
leave the ground?  
what is going on  
here?

??  
strange

wow!  
close!  
so  
close!!

唔!

Oh, the hind legs  
are in the ground,  
buried under some  
dirt. and then it  
noticed its body,  
not like before, it's  
all distorted.

It is very  
hungry,  
it wants to  
find some  
food. but  
It can't  
move, how  
did this  
happen?

Strange!  
It realized  
that it  
couldn't  
move...

But now it  
can't find  
its tail, where  
did my tail  
go?

It usually uses  
its teeth to comb  
its tail after  
licking its face,  
making the fur  
nice and neat  
all over the  
body.

where  
is its  
most  
precious  
tail?

odd...  
where  
is the  
tail...

喵?

喵?

咦?

~~~~~

~~~~~

~~~~~

哇!

!!

喵!

Who is this woman?  
It has seen  
this her  
sometime  
before.

It thinks  
the woman  
look  
familiar.

It saw this  
woman in  
front of  
it.

rest  
in peace...

I will grow  
many flowers  
in the yard.

Who is it!  
who is hiding  
over there!!

Kosaku  
said...

I get  
sad  
whenever  
I think  
of it.

forget  
it...

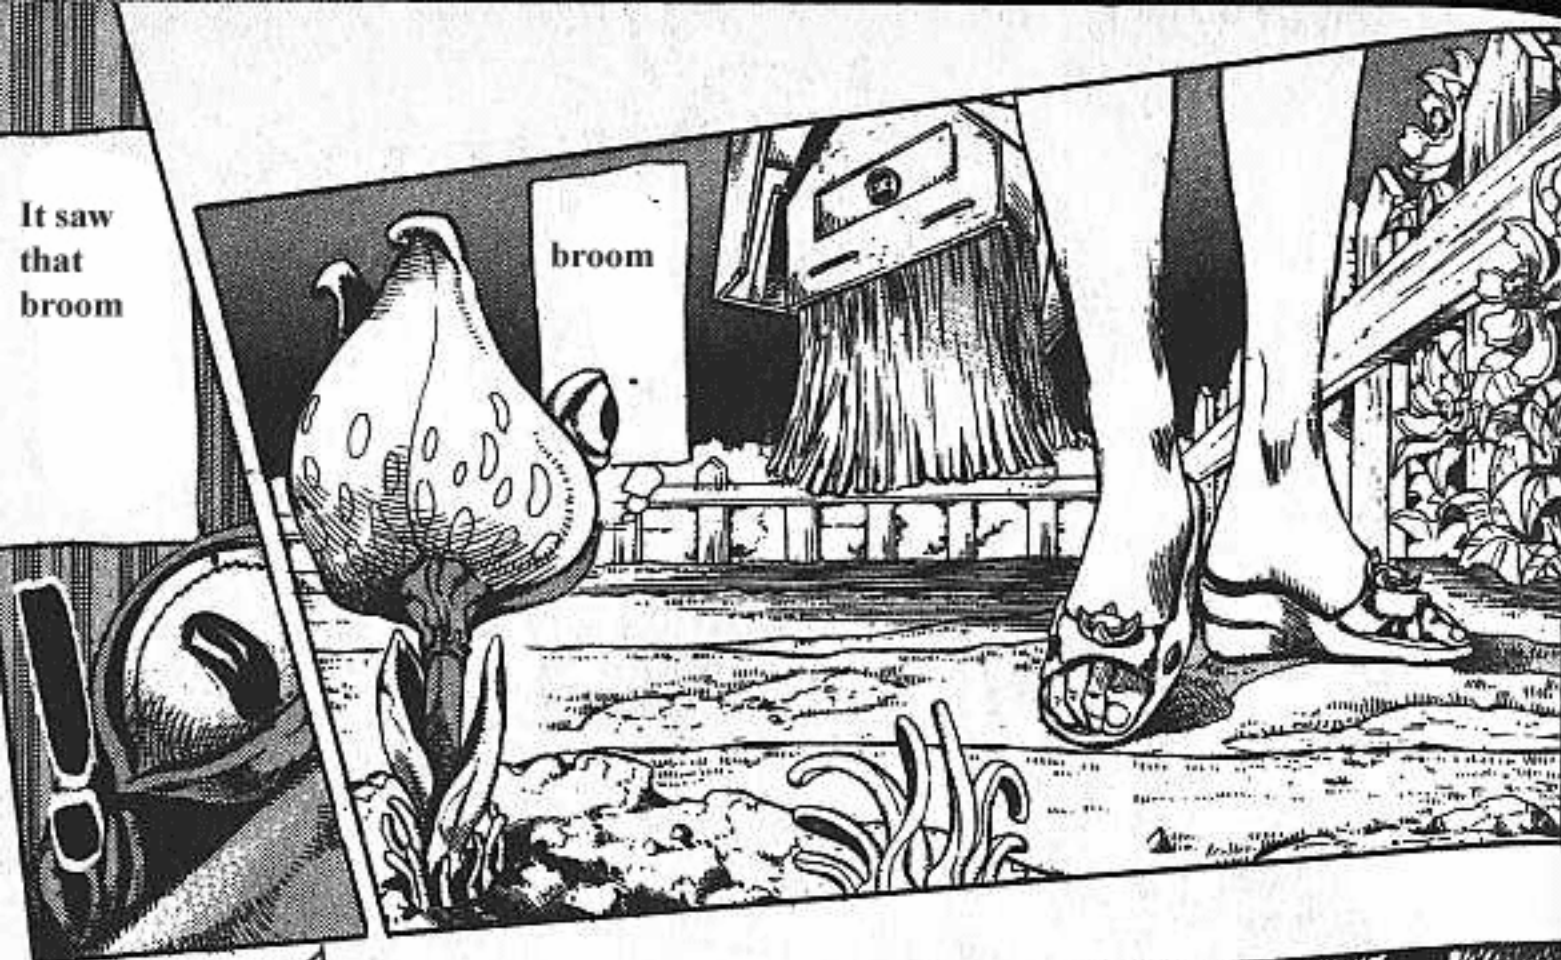

maybe it's  
better that  
I don't know...  
sorry, little  
kitty.

maybe  
it's right  
over there.

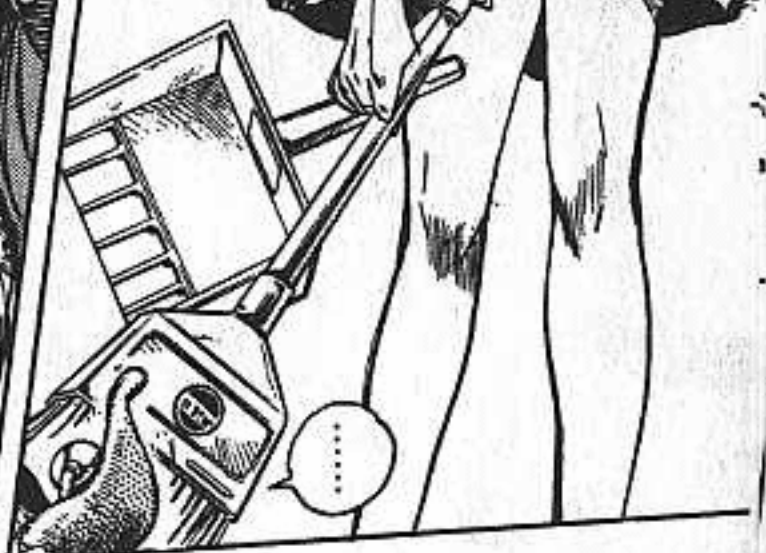

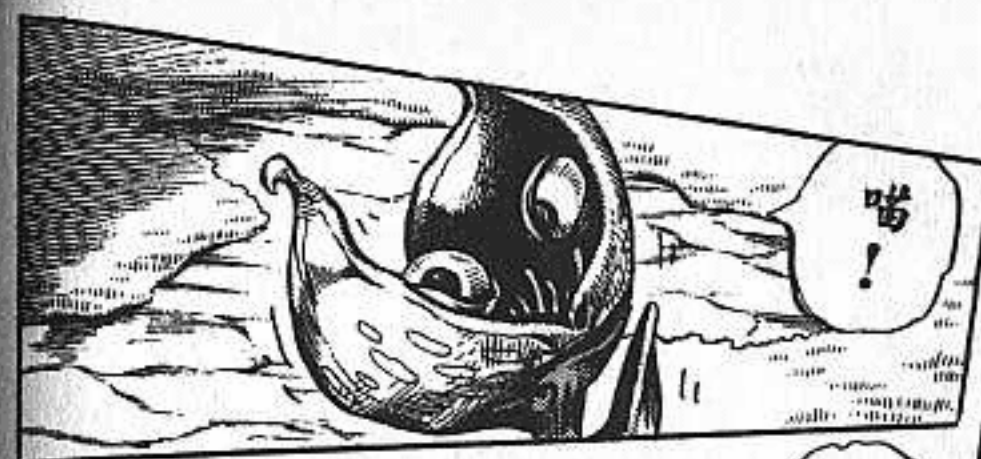

He has  
buried the  
cat in the  
yard.

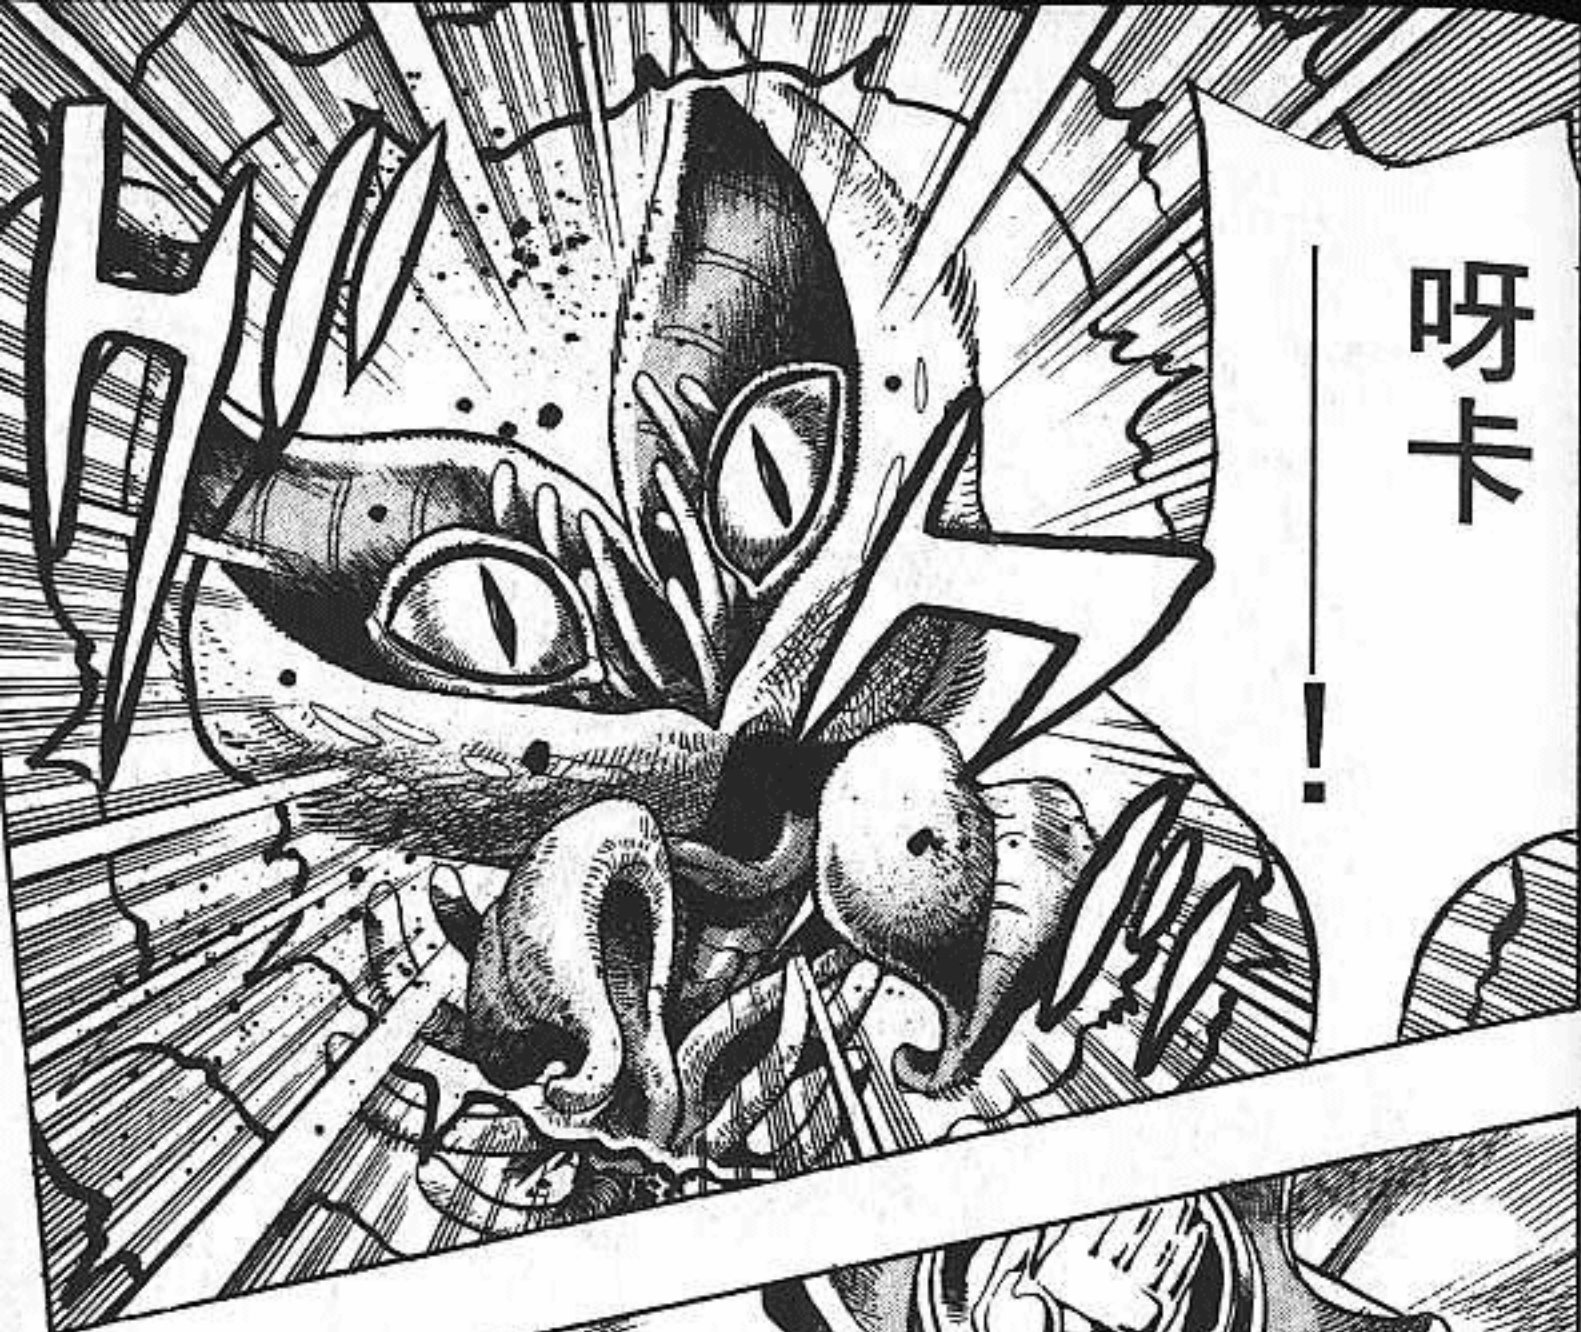

It saw  
that  
broom

Broom? OH!  
I remember who  
this woman is  
now!!

呀卡

嗯!?

I DIDN'T DO  
ANYTHING  
WRONG BUT  
SHE WAS LIKE  
TRYING TO  
KILL ME!

THIS WOMAN  
USE TO HIT  
ME WITH  
A BROOM!

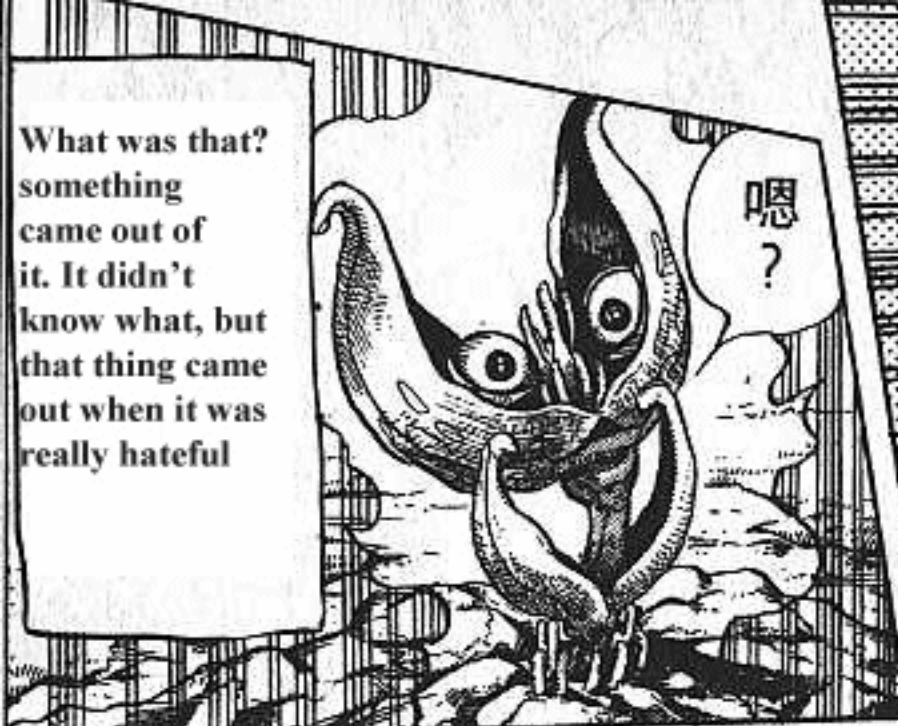

I AM LIKE THIS  
NOW..... ALL  
THANKS TO YOU!  
DAMN WOMAN!!  
I HATE YOU!!

RIGHT, I WAS  
HURT BY  
A BUNCH  
OF GLASS  
SHARDS, I  
COULDN'T  
MOVE  
BECAUSE  
I WAS  
BLEEDING  
TOO MUCH!

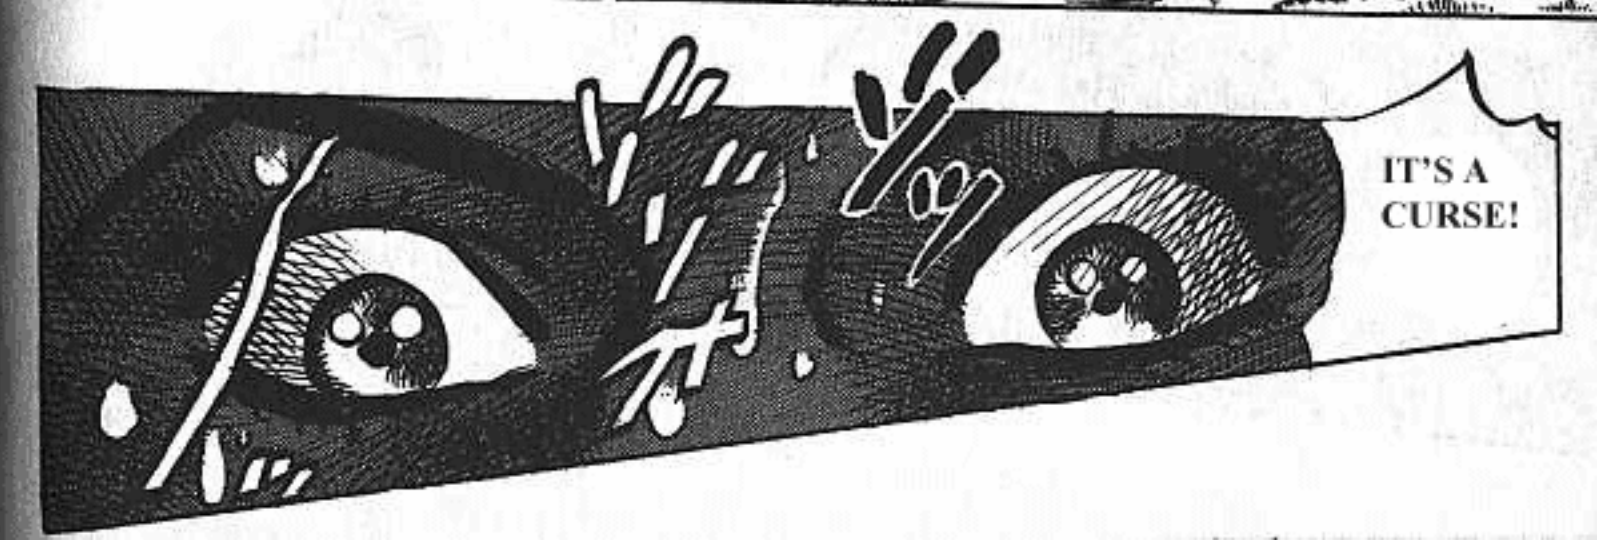

What was that?  
something  
came out of  
it. It didn't  
know what, but  
that thing came  
out when it was  
really hateful

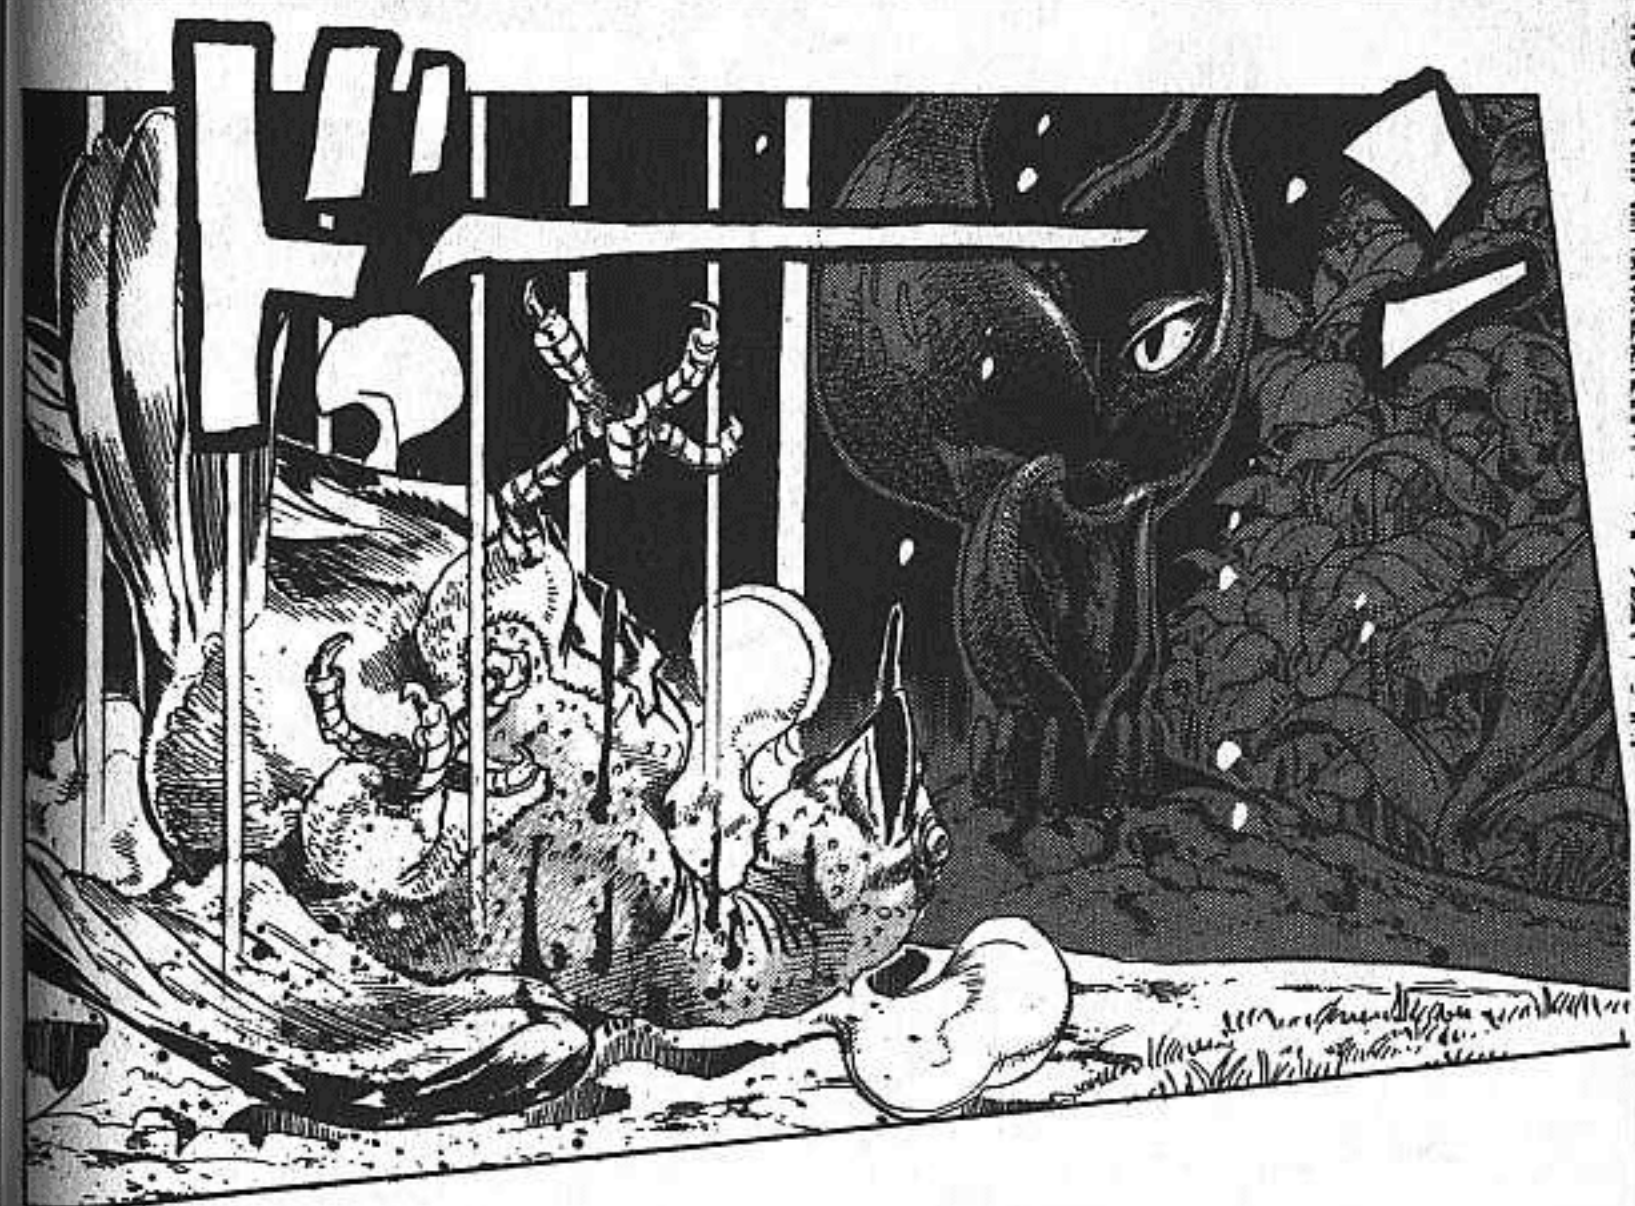

It is thinking right now... to have this kind of ability is very convenient.... I just got back at that woman, had a great meal... maybe I will try to attack that woman again...

It will slowly use its intuition to feel and master this unique ability...

this guy...

How did it take off  
the toe nail of that  
woman.... how did  
it attack those birds.....  
how many more  
secrets does it have?

what did it  
do to these  
birds...

I don't see the  
real body...

IT IS STILL  
GROWING!

What is its  
stand?!?!  
what does  
it want from  
me?!

滋!

滋!

why is there  
a stand user  
here... this is  
exactly where  
I buried the  
cat  
yesterday...

Is a  
stand user...

what kind  
of stand  
does it  
have?

貓喜歡吉良吉影

之其③

where is  
its real  
body....

very  
suspicious

sleep after  
eating...

plant  
or animal

It's not hard  
to kill it. but  
I better find out  
as much as I  
can before I do...

I shouldn't  
take any  
chances....  
I should kill  
it!

for me... is it just  
a coincident  
meeting?  
or the appearance  
of another  
strong enemy?!

its real body  
is also  
a mystery...

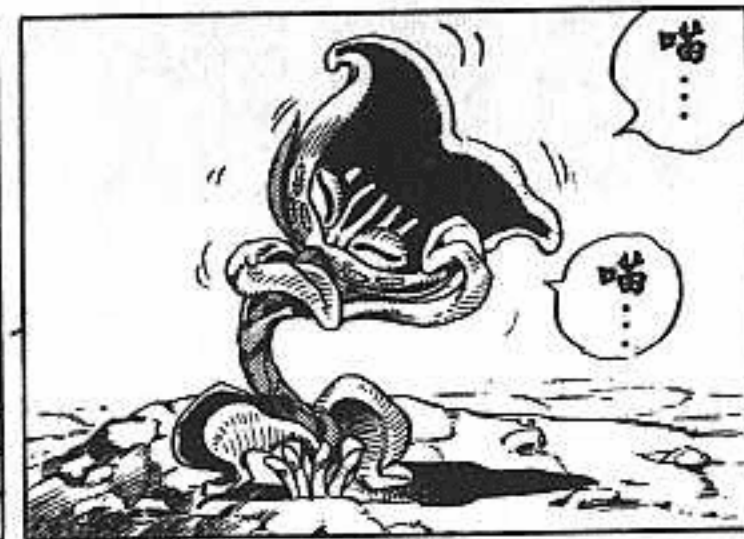

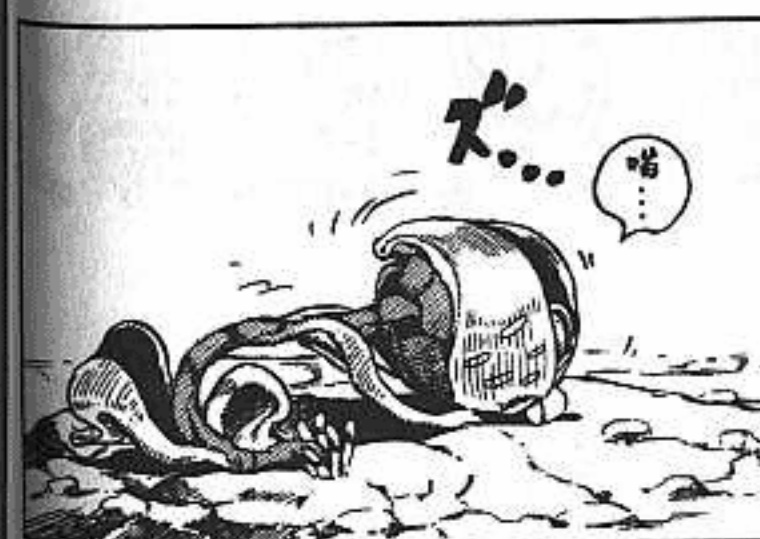

It thinks I am calling  
it.... so it turns  
around and look at  
me.... like a cat...

噢!

噢!

Jotaro Kujo will hear about this sooner or later, then he will come investigate this family, I have no where else to hide then...

if it attacks her again out of anger.... if she sees it...

I know you're just trying to make me feel better

I know you buried the cat there. please. just move it to some other place.

you go back to the house

is not where I buried the cat yesterday...

it's horrible..

you buried the cat right over there right?

I think it's a curse.

This place...

嗯?

嗯?

Shit, why does she has to come out again! this is getting a little troublesome...

because this cat hates that woman, that's why it attacked her

I have to  
use Killer  
Queen to  
eliminate  
it before  
it causes  
further  
trouble.

This cat is gonna  
be trouble to  
me...

even though  
I don't  
know  
exactly what  
kind of  
stand ability  
it possesses.

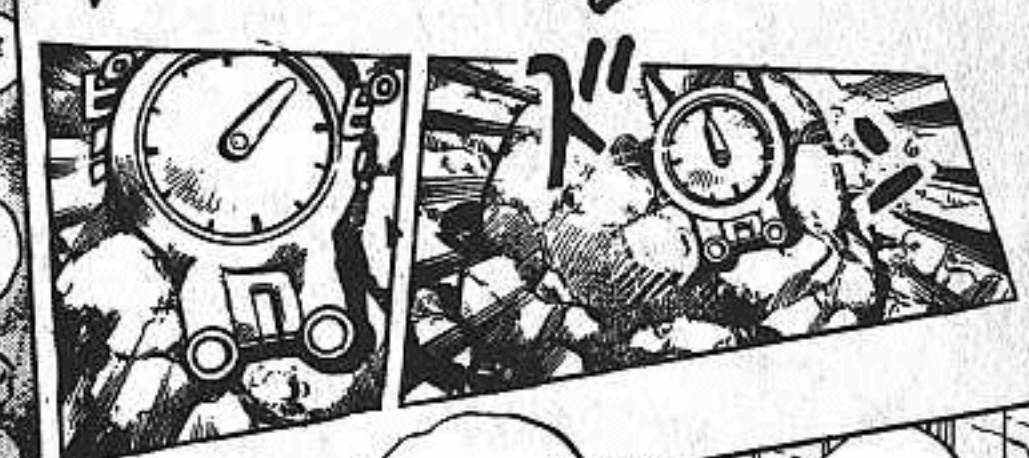

shit, It  
saw her,  
and it will  
attack!

Killer  
Queen,  
Bomb No.1

I feel sympathetic  
but after a few  
seconds you will  
not feel any  
pain anymore

no  
explosi-  
on

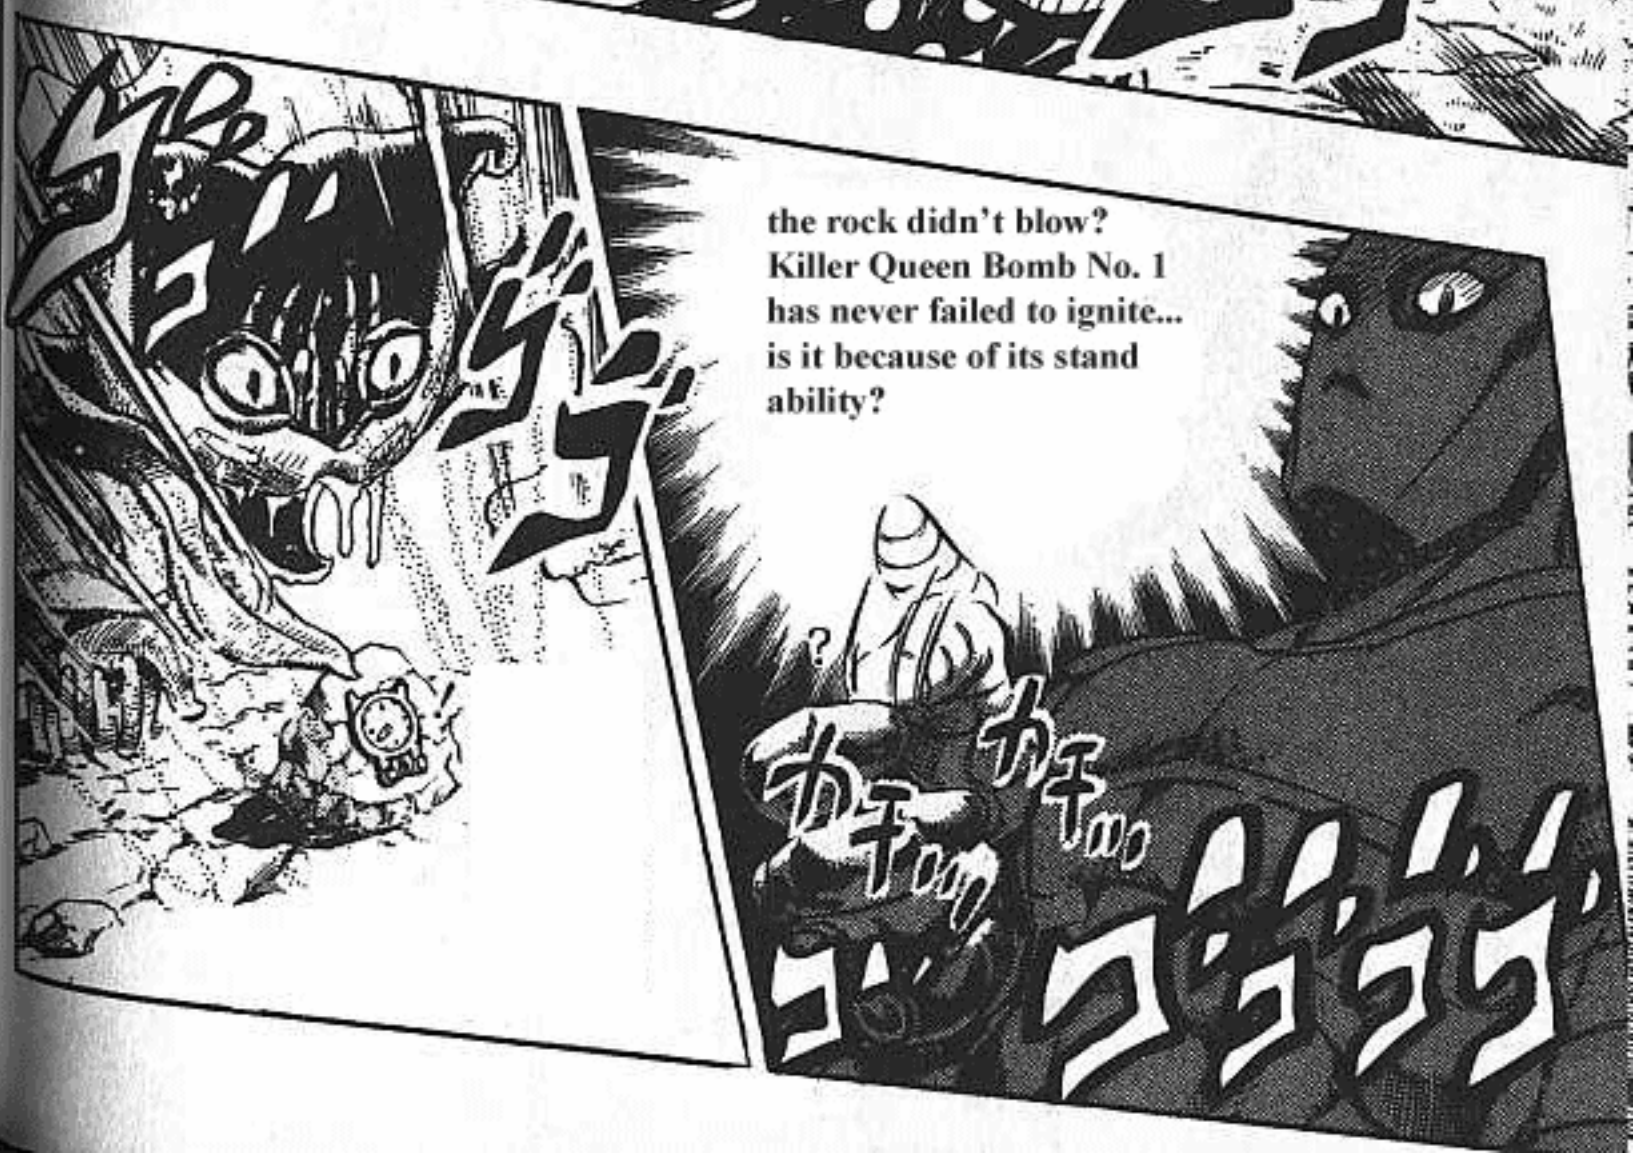

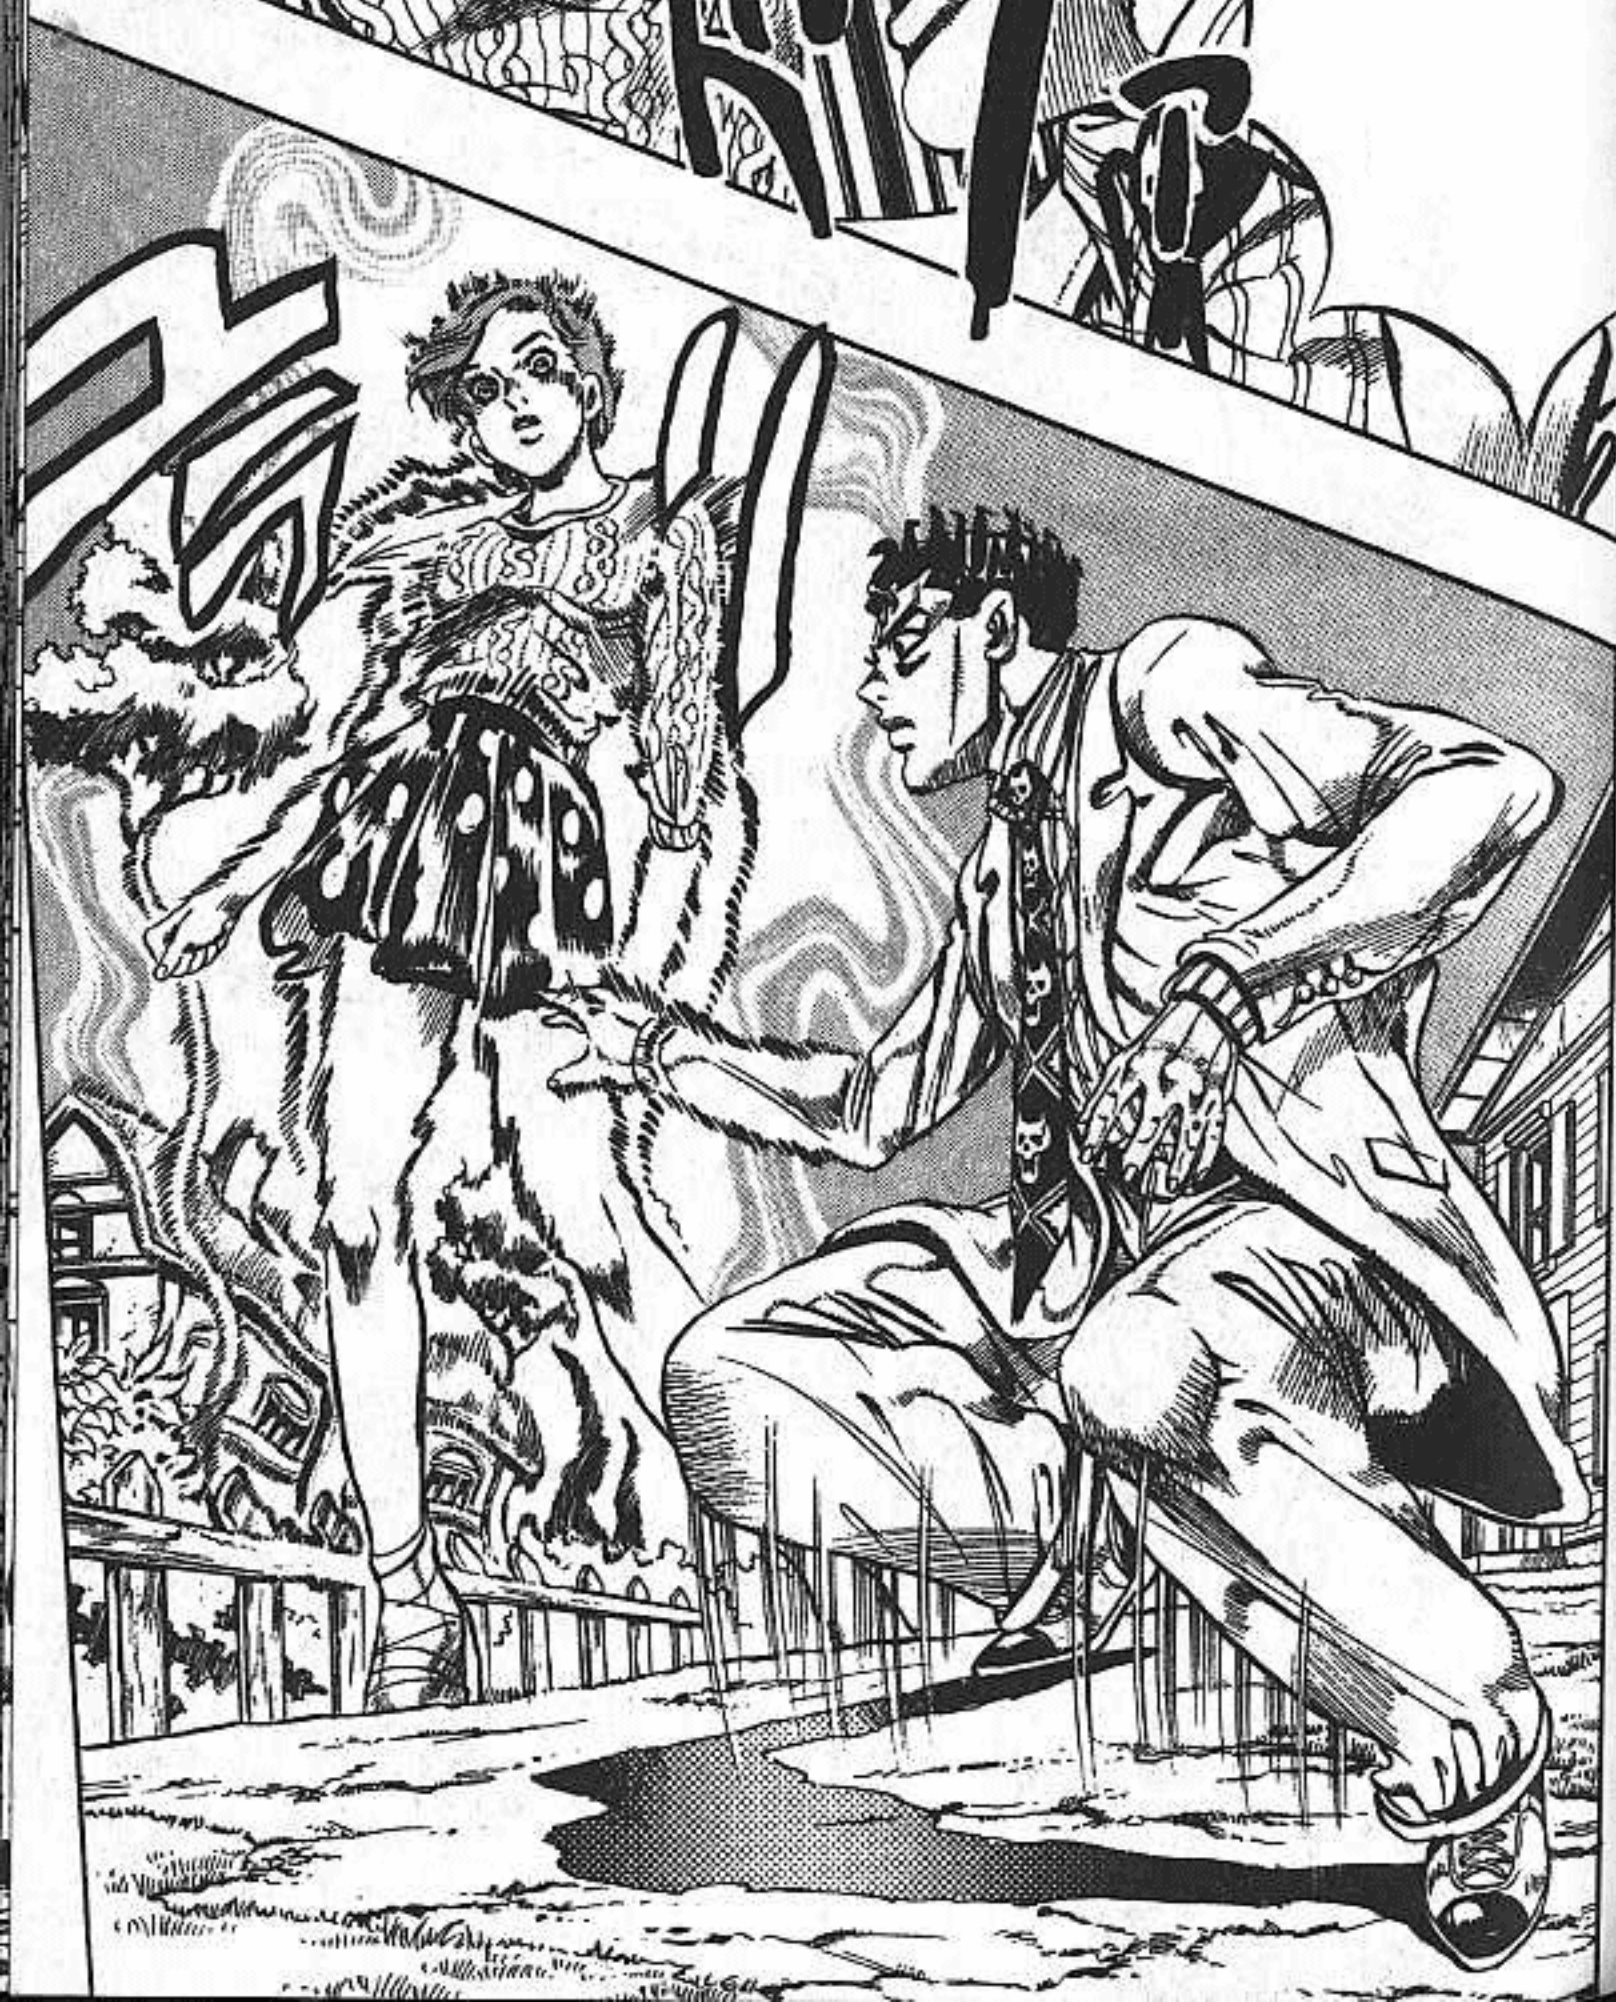

something  
in your  
shadow...

there's  
something

there's  
something  
moving...

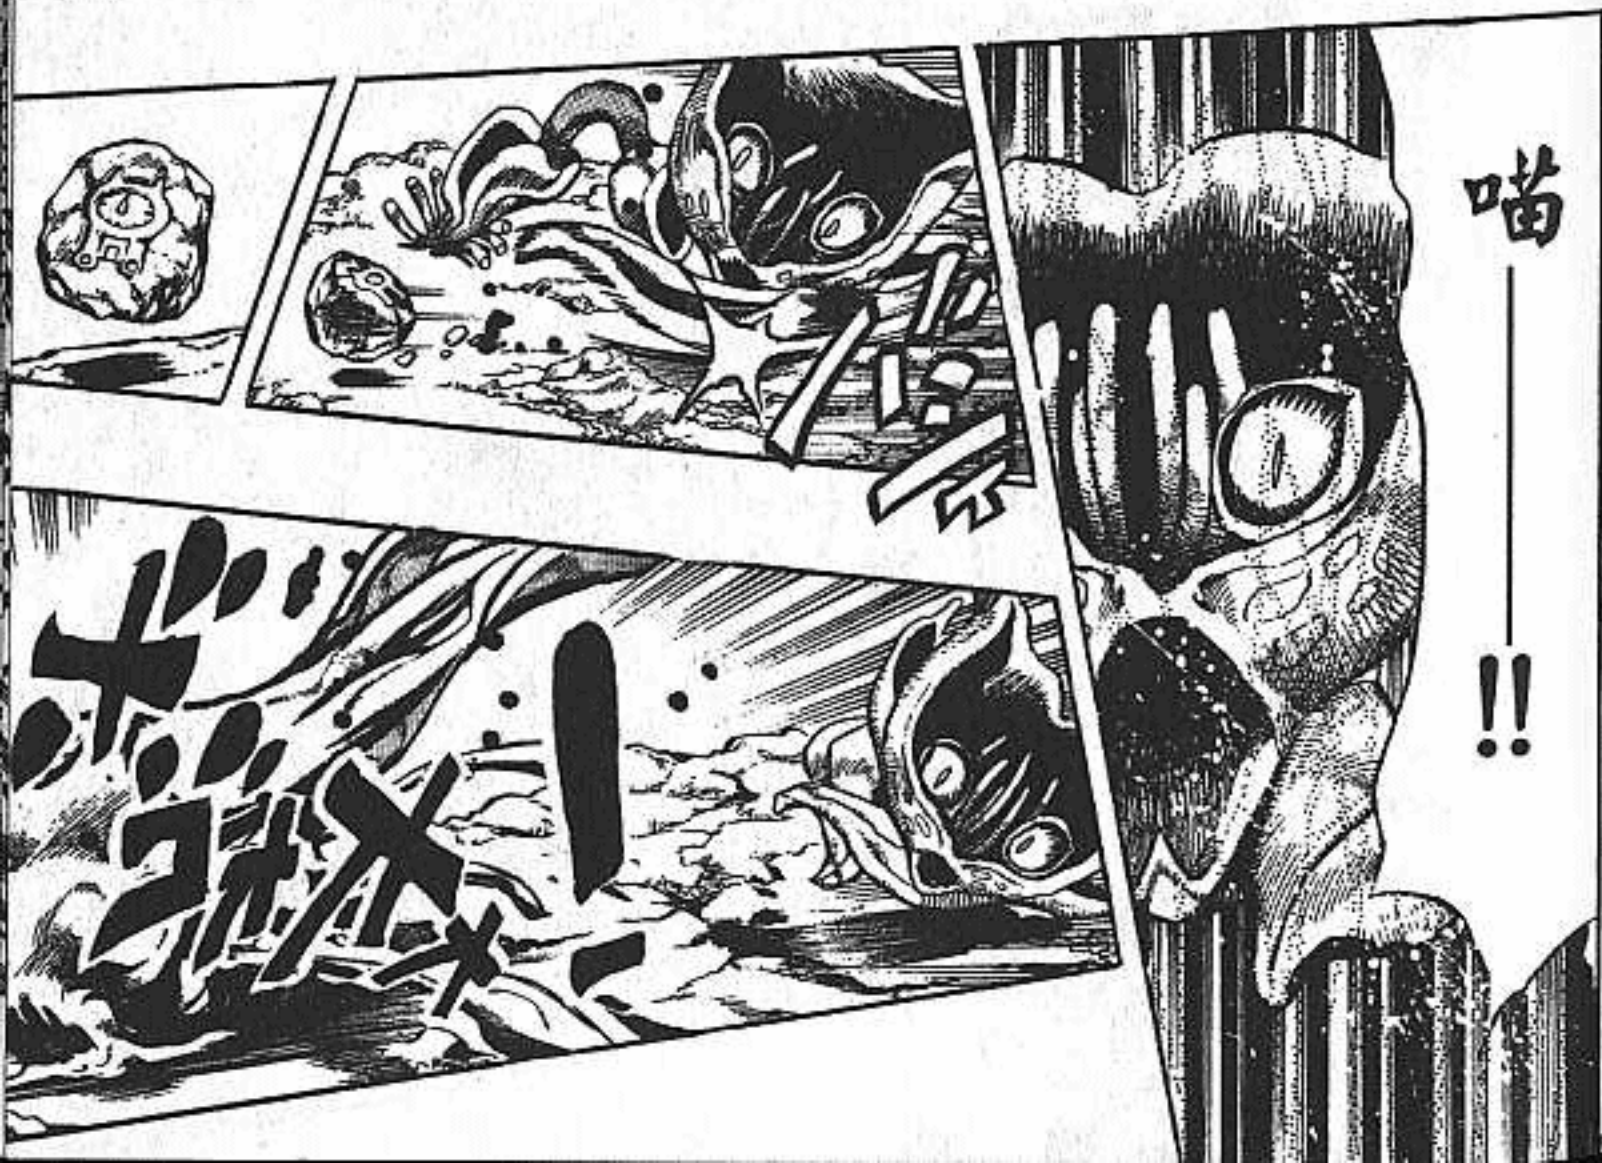

啊……！

喵

！！

I CAN'T  
LET HER  
DIE!

I MUST  
TAKE THIS  
MUTANT  
OUT!

DISAPPEAR!

IT IS ITS  
ABILITY!

the bomb ignited after  
it has got outta the  
cat's vicinity...

I will kill  
all who gets  
in my way!!

I see, this man is  
trying to protect  
this woman so  
he is my enemy  
also!

Before today,  
this plant  
was still a  
live, energetic  
cat

貓喜歡吉良吉影  
之其④

Stray Cat

its stand power  
can freely  
control  
air around  
it?!

the bomb will not  
ignite only if there  
is no air around it.

I tell you... I've  
already know  
how to use  
my ability now...

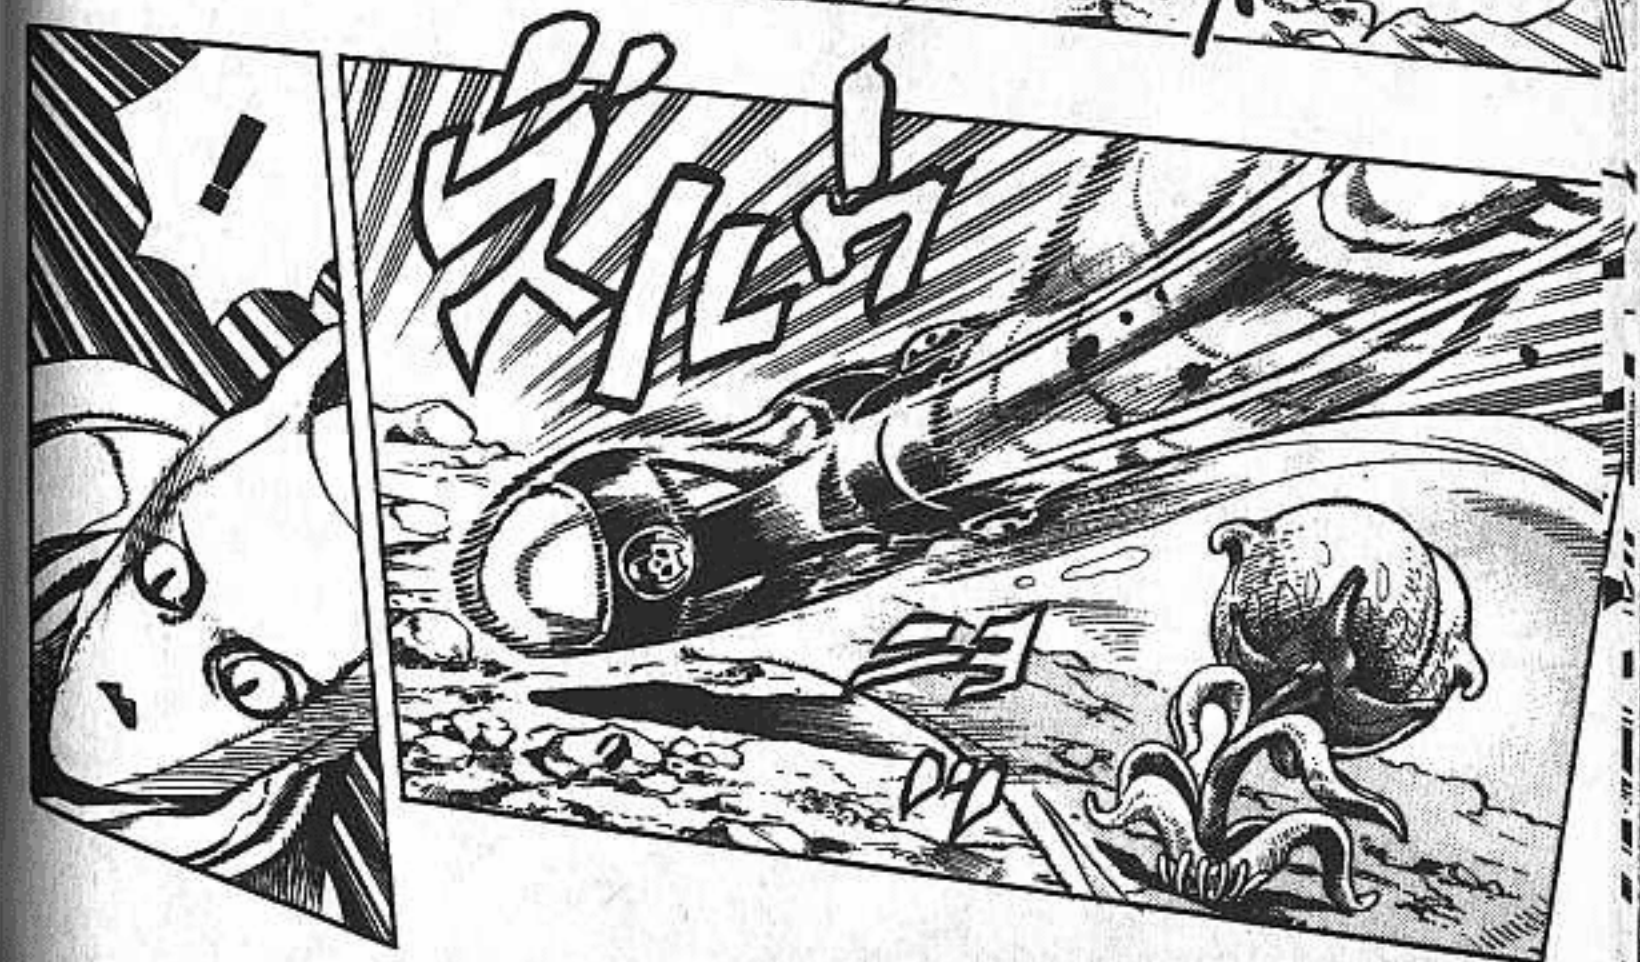

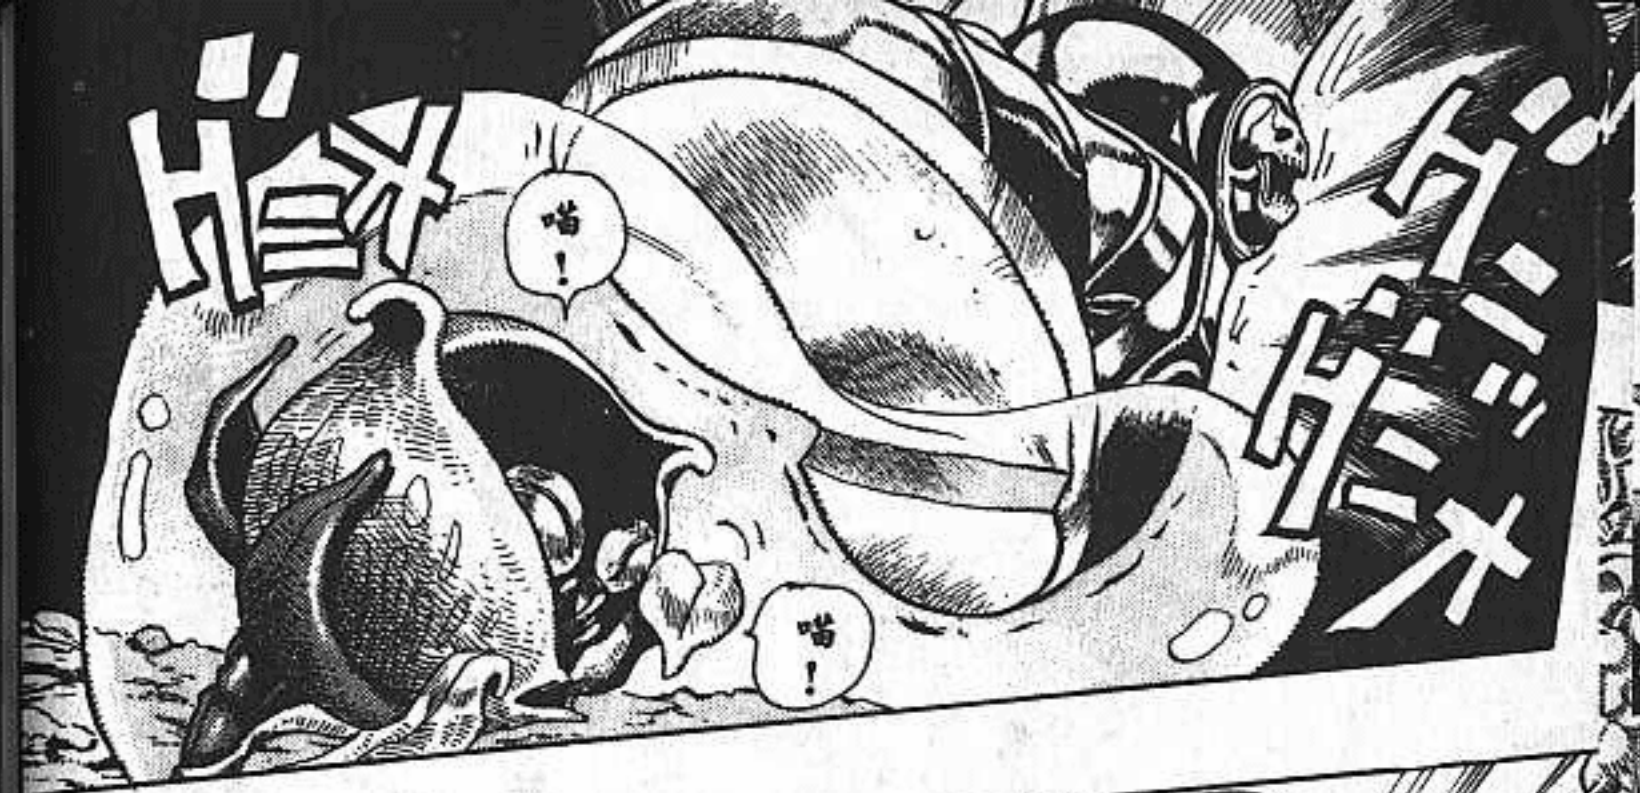

this is the  
only possibility!

So this is  
its ability?  
an invisible  
ability?

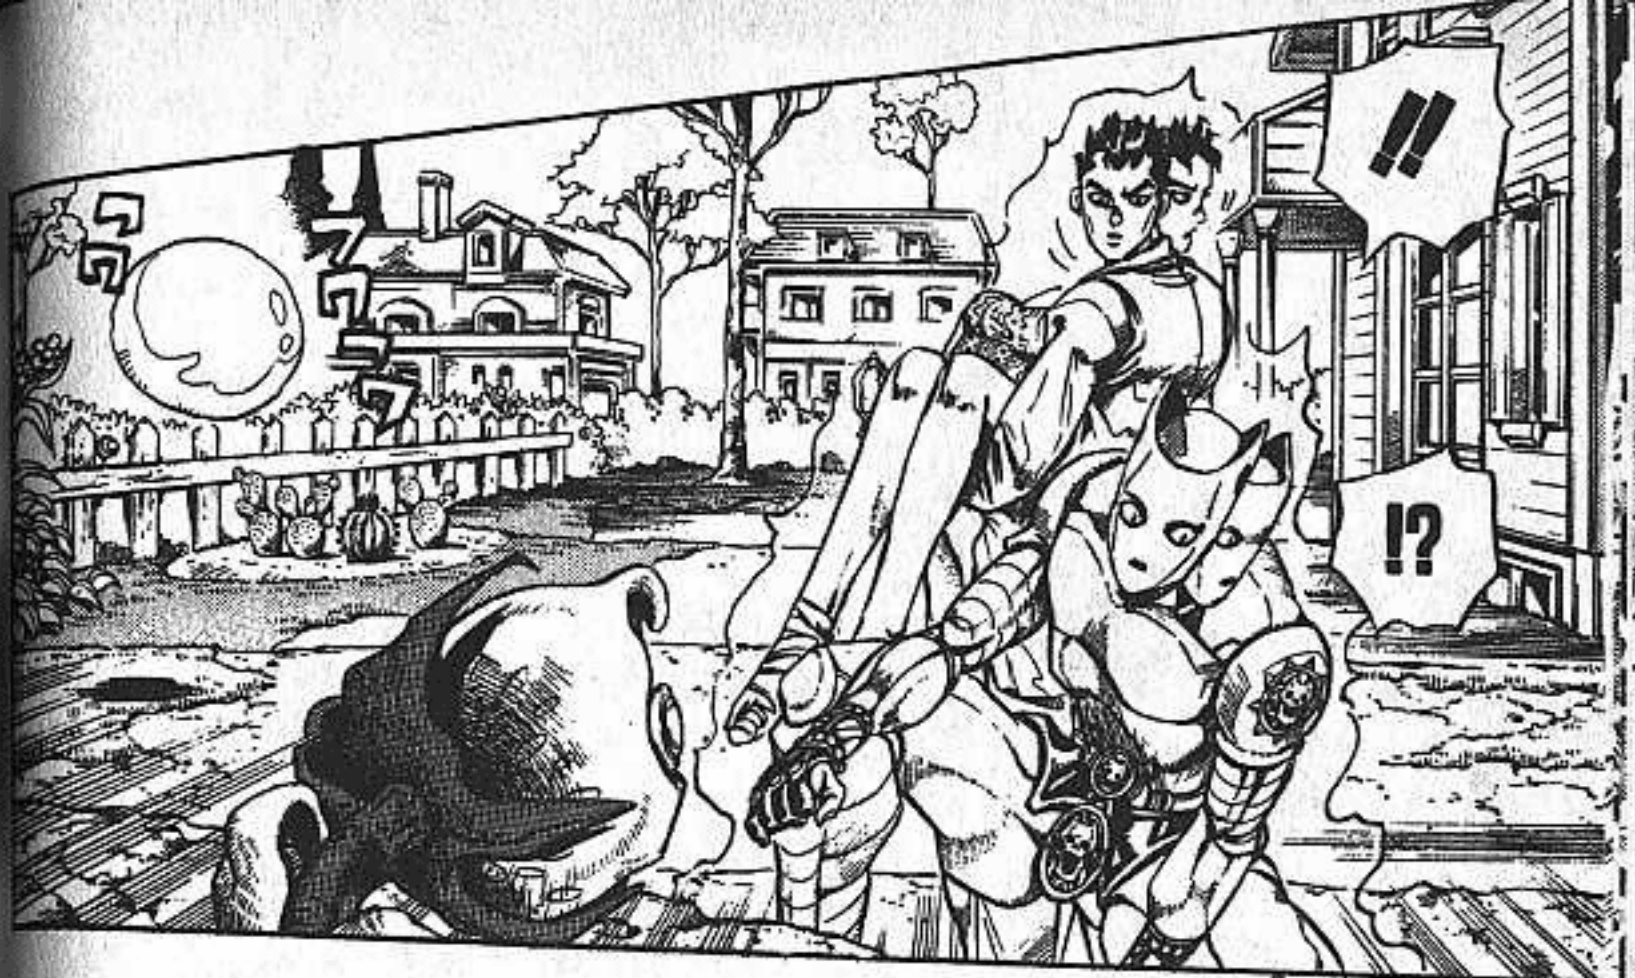

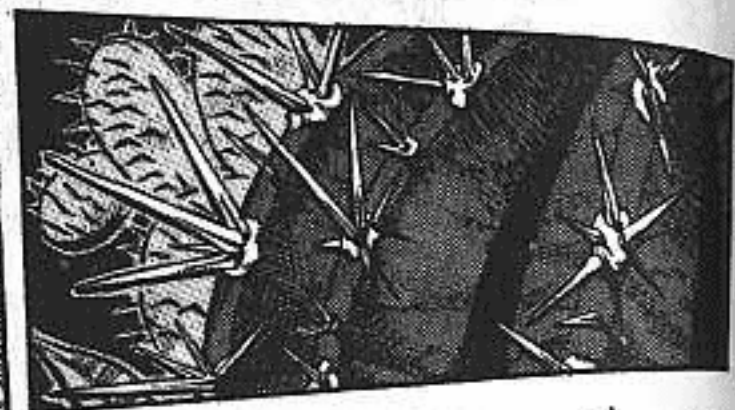

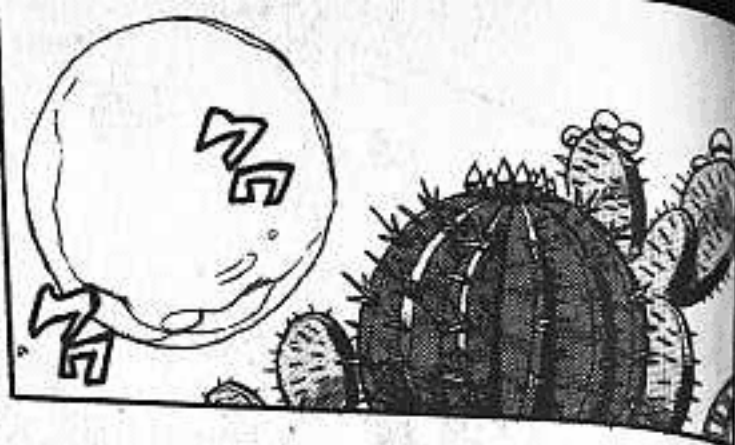

because if she  
dies, Jotaro will  
find me... yea,  
that must be  
the reason!

but why am I  
worried about  
her...

This woman  
has nothing  
to do with  
me...

it's not  
gonna  
work  
now!

you  
attack

when I found out  
her eyes won't  
be injured by the  
cactus, I felt  
relief. this feeling  
is like...

What's wrong  
with me?! I,  
Yoshikage Kira  
is worried about  
this woman...

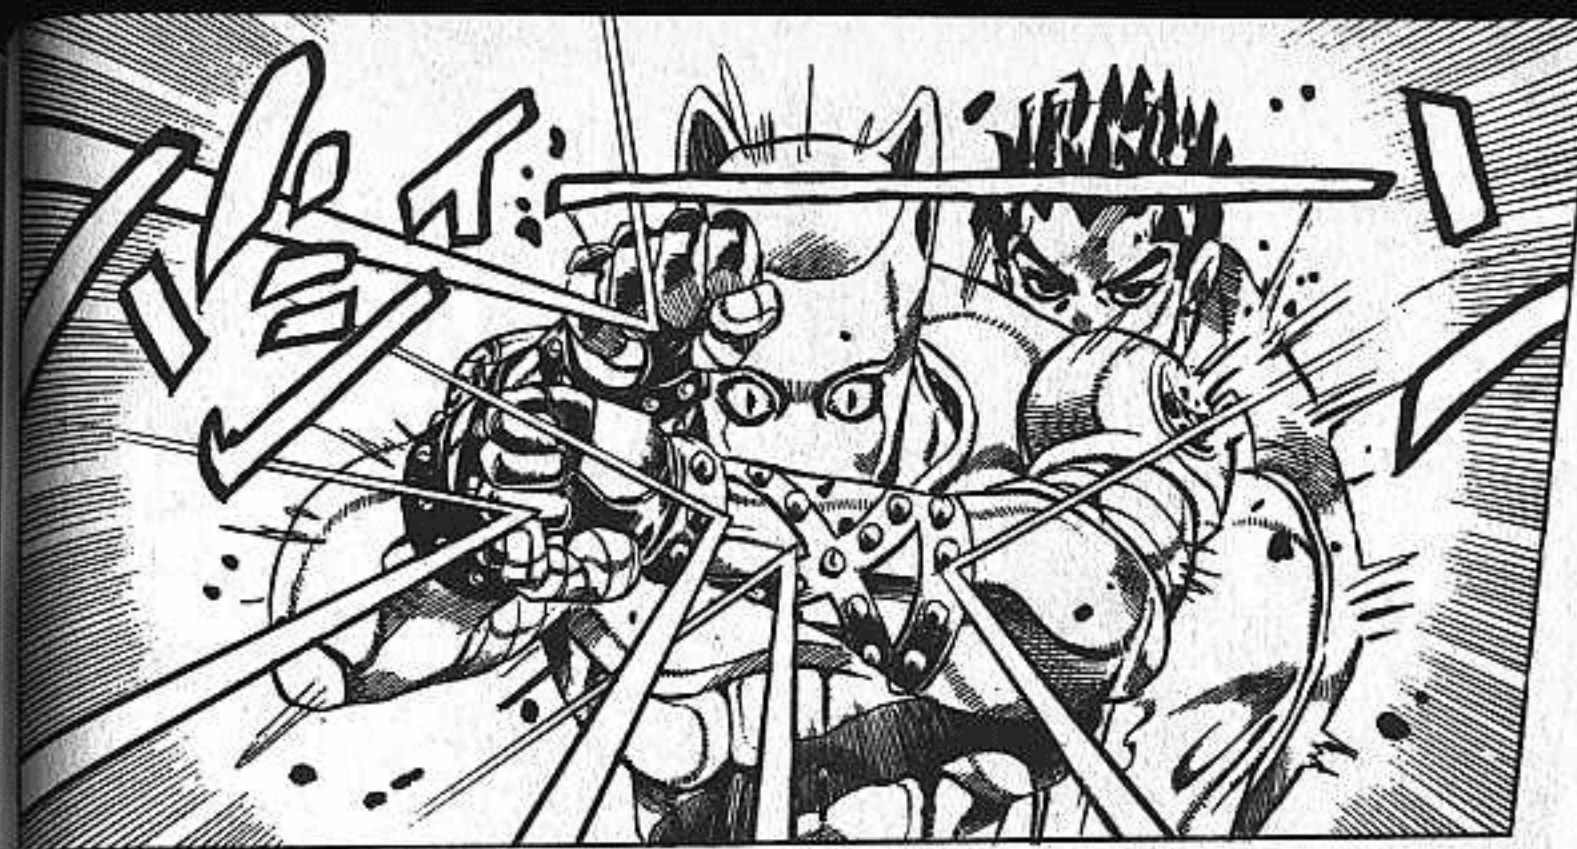

怎麼回事?

Did it predict my actions before attacking? does a cat have this kind of intelligence!?

the attacks just now was aimed at my vein!

Shit!

even though I can't see your attacks, but as long as I know how it works...

you can do nothing but controlling air balloons flying around...

you are no match for me now..

even though I am not a medical expert

AND IT'S GOING UP MY ARM!

But I know when air got into the body, it will start to go to either the brain or the heart. if the body of air is more than 10 cc it could be lethal

It will cause a blockade in the blood stream, stopping the circulation, then death.... looks from the size, it is way over 10 cc of air.

SHIT!  
AIR GOT INTO MY BLOOD STREAM!

咕嚕!

咕嚕!

咕嚕!

Killer  
Queen!

唔……

Shit!

Damn! it's  
going into  
my body!

using my thumb to  
press down the  
vain will not stop  
it!

no  
use!

Can't  
think of  
anything  
else  
right  
now!

it's  
the  
only  
way!

what now?!

Use golf balls to distract its concentration... but its anger towards that woman can explode anytime.... what should I do?

this can hold it off for now...

close...

TO BE CONTINUED...

If it can stop Killer Queen's bombs from igniting, then that means there is nothing I can do to attack it!

damn.... I underestimated it...

can control air freely... is indeed a formidable ability

what should I do?!

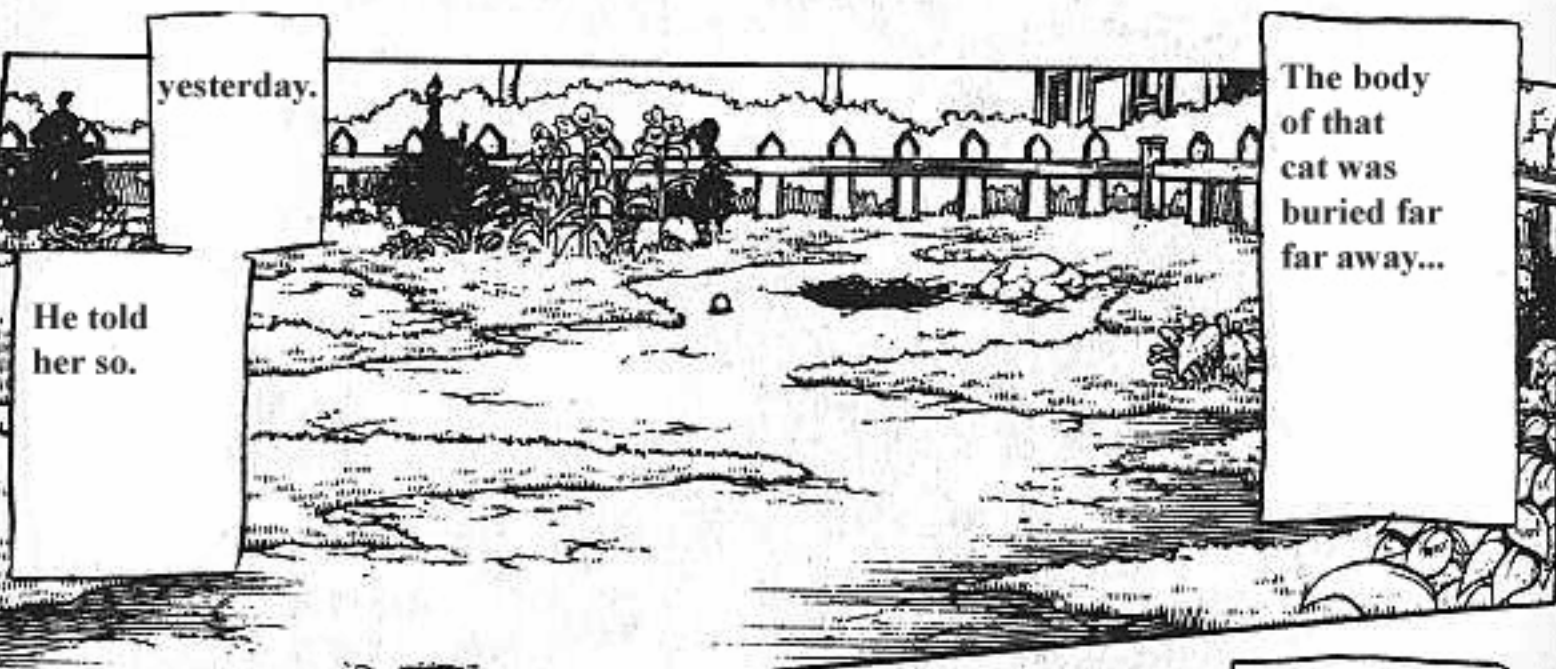

IT'S ATTACKING AGAIN!!

COMING!!

He told

The body  
of that  
cat was

far away...

I was worried

## Beard:

These tentacles control the power and direction of the air bullet.

**Stray Cat:**  
its ability to manipulate air comes from its photosynthesis as plant

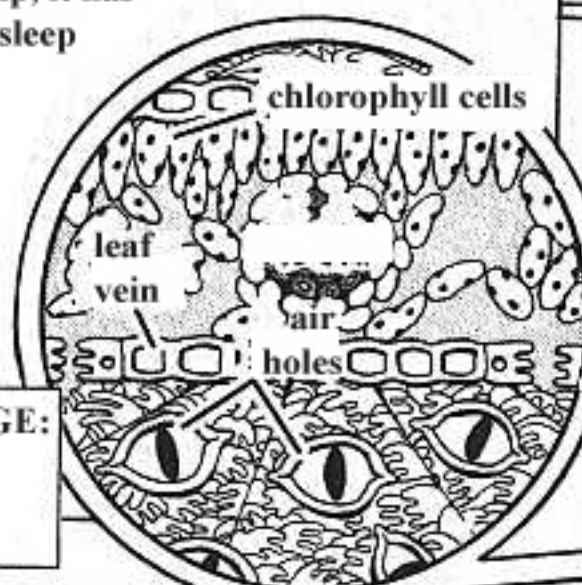

Yoshikage found out the Stray cat only needs 20,000 lux of light (brightness of a stormy or rainy day) to stay conscious and use its ability. its power to control air depends on the brightness of the sun. so when its dark and damp, it has no choice but to sleep till sunrise.

**Mouth:** able to make sound, also eat and drink.

**Claw:**  
none

## Upper leaf

to grab things, even catch birds and other animals.

**EFFECTIVE RANGE:**  
as far as it can see.

**Likes:**  
salty fish, sweet shrimp  
use paper bag to cover head, watch TV, being praised.  
**Dislikes:**  
cigarette smoke, dry apricot, mustard, winter  
**Gender:** ???  
**Age:** ???

**Brain**  
must be around here.

Erba gatta, (used to be a cat)  
stand name: Stray Cat  
(named by Yoshikage)

**Ear** will feel itchy if touched...

**Forehead:**  
used to have one as a cat but gone now

**Eye**  
unlike the eyes of a cat. can't see in dark. hate it when people stare at it.

**Nose:** used for smelling and breathing

**Body:** touch this area, it will make a scary noise, when it ate the wrong stuff it even pukes.

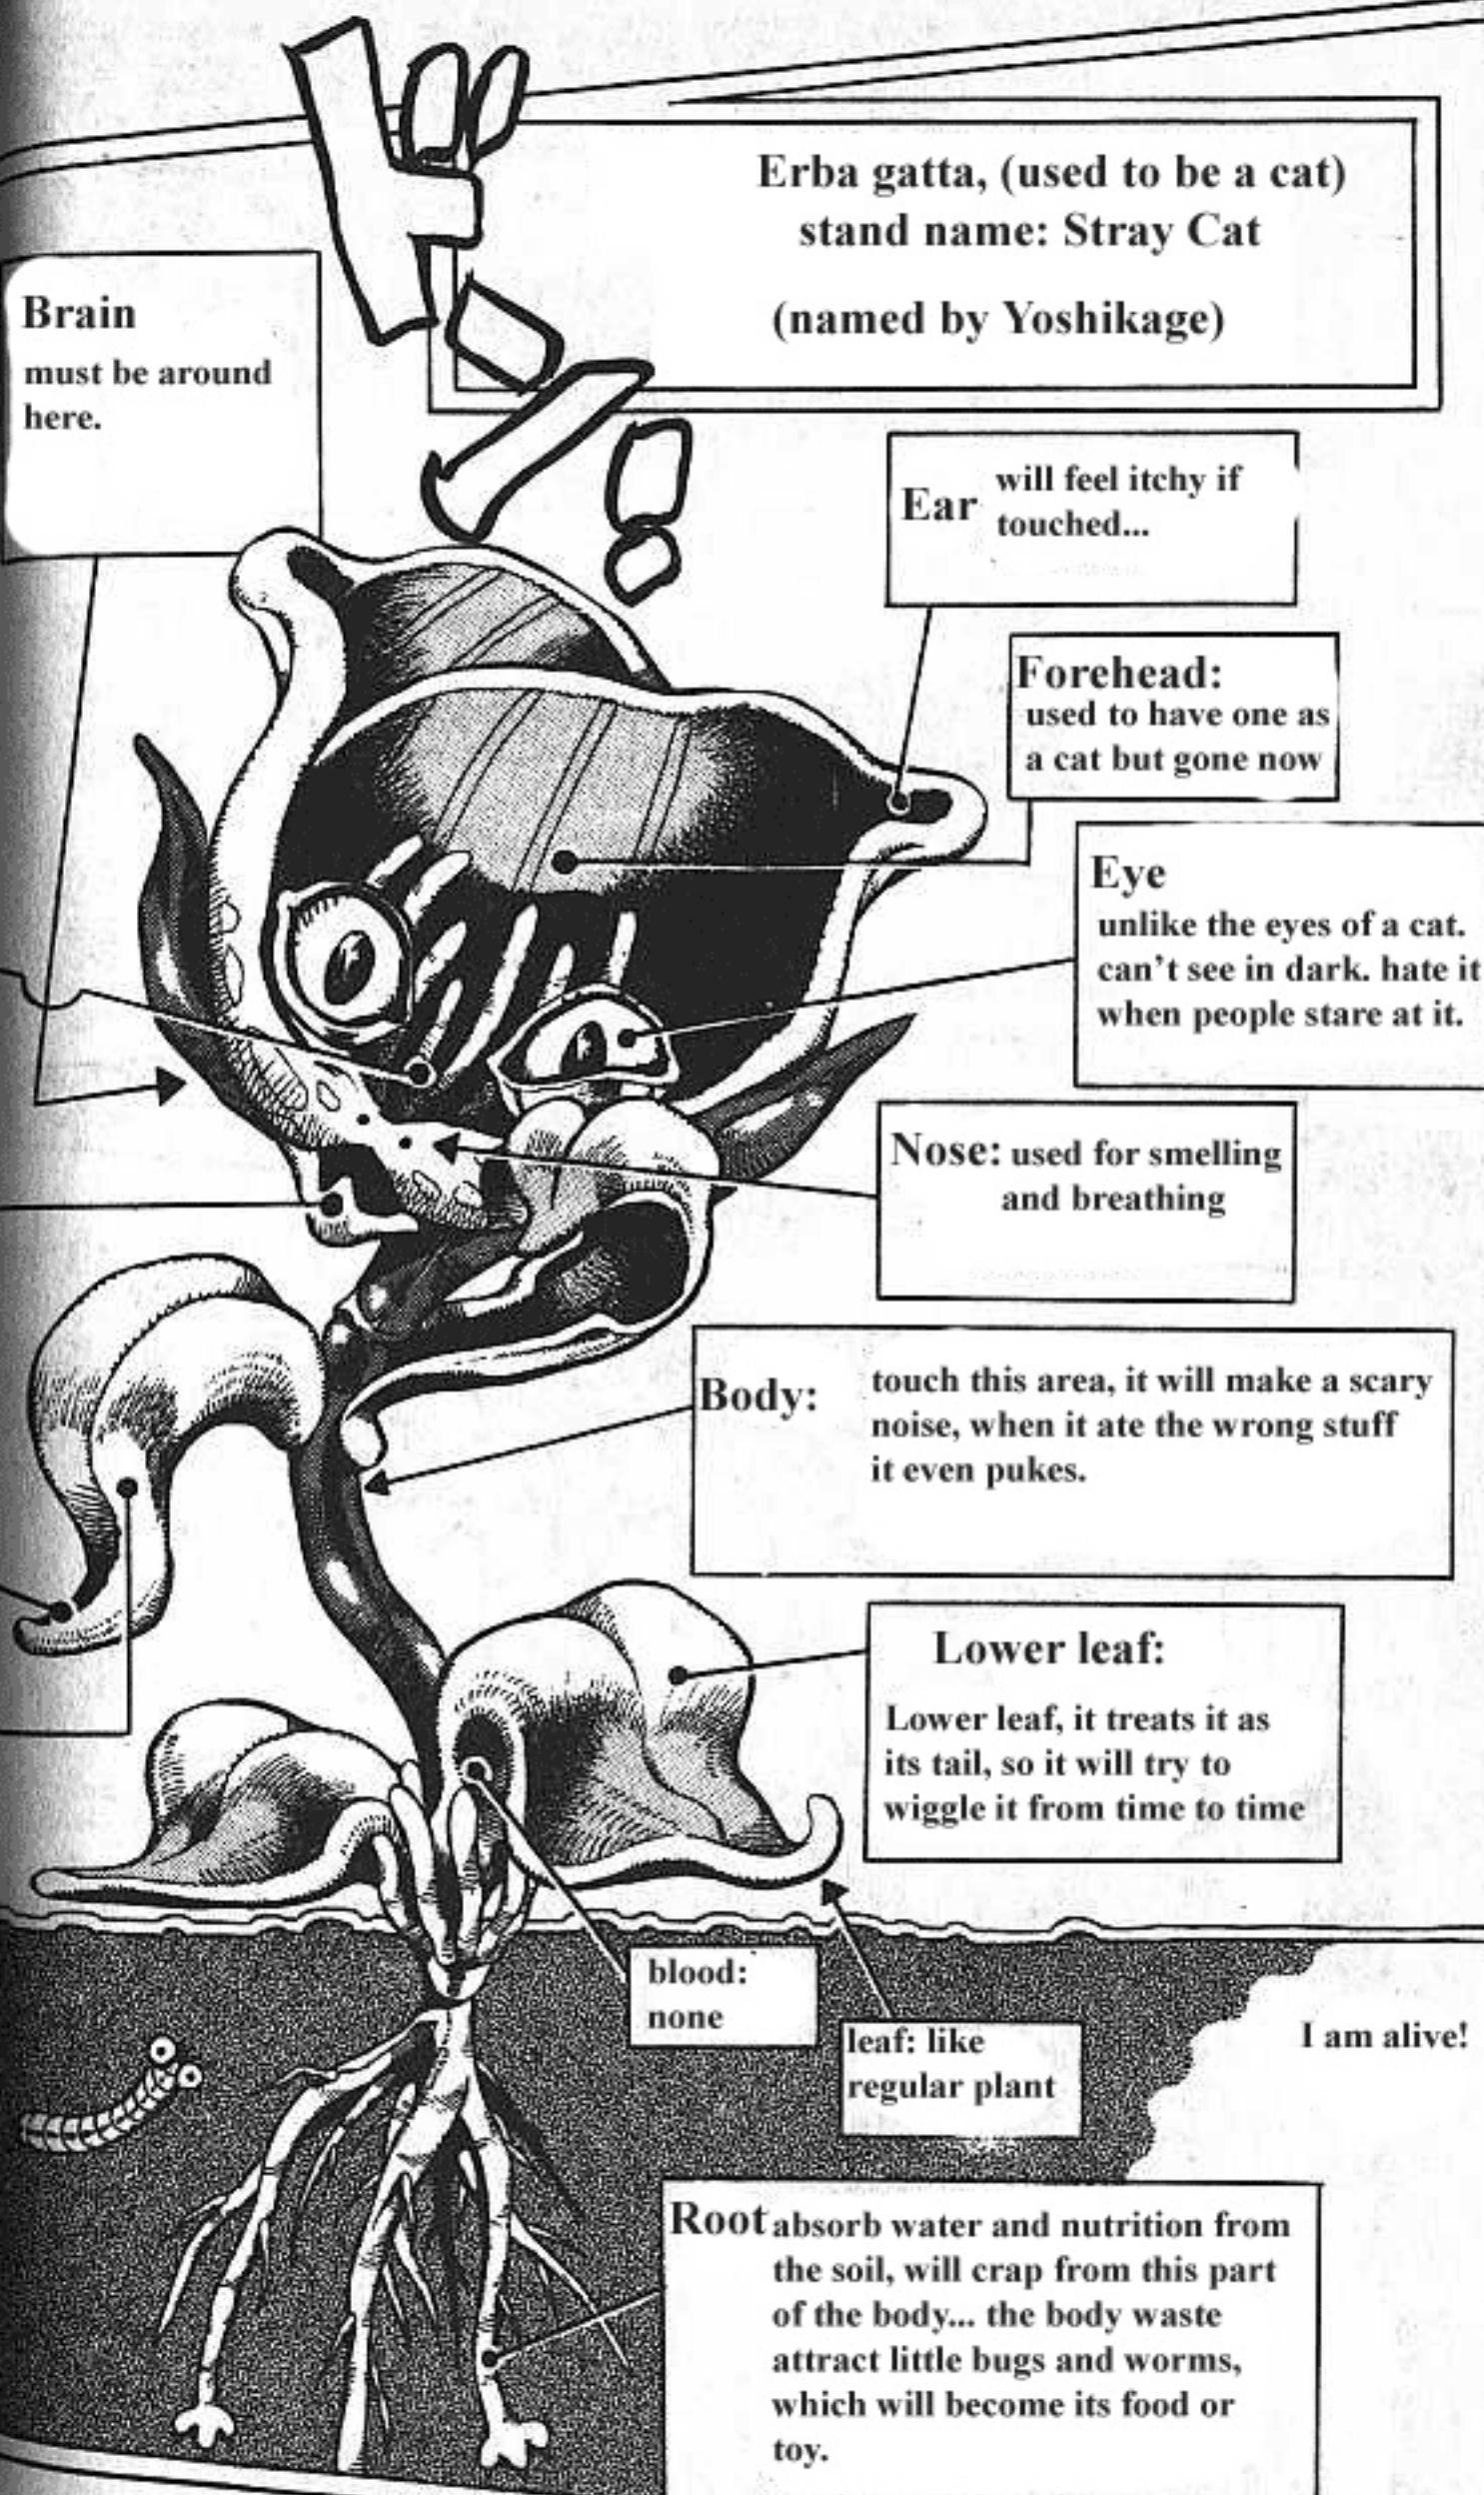

**Lower leaf:**  
Lower leaf, it treats it as its tail, so it will try to wiggle it from time to time

**blood:**  
none

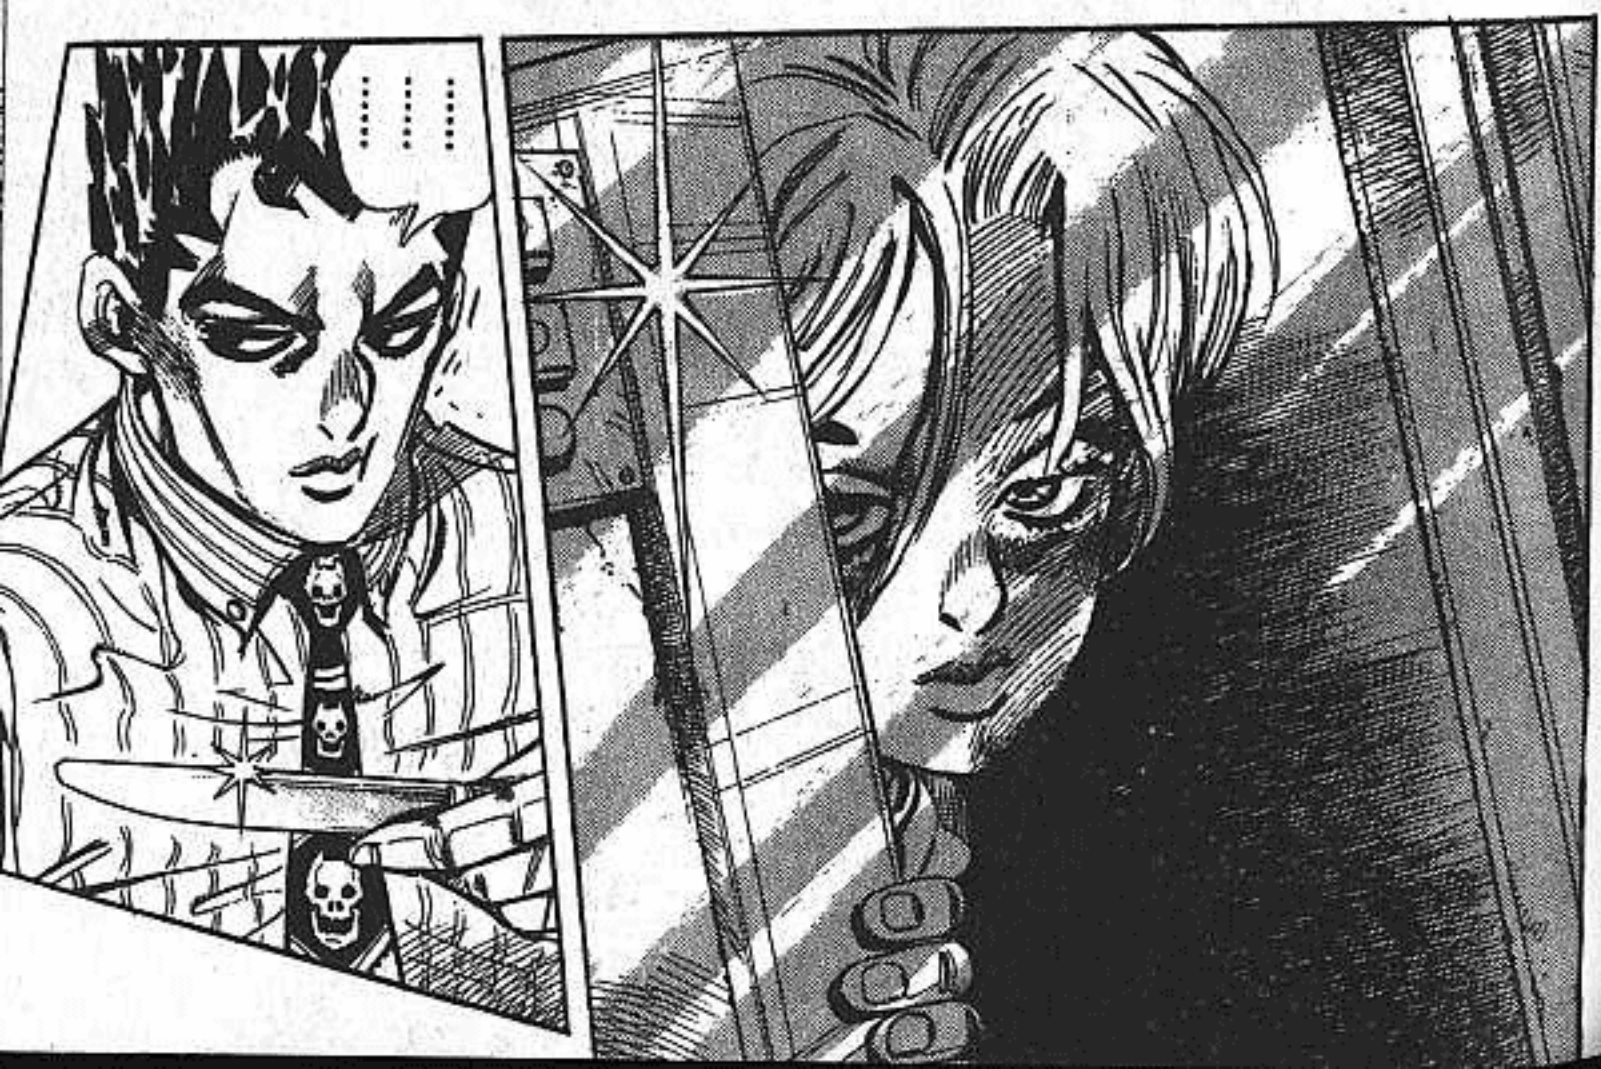

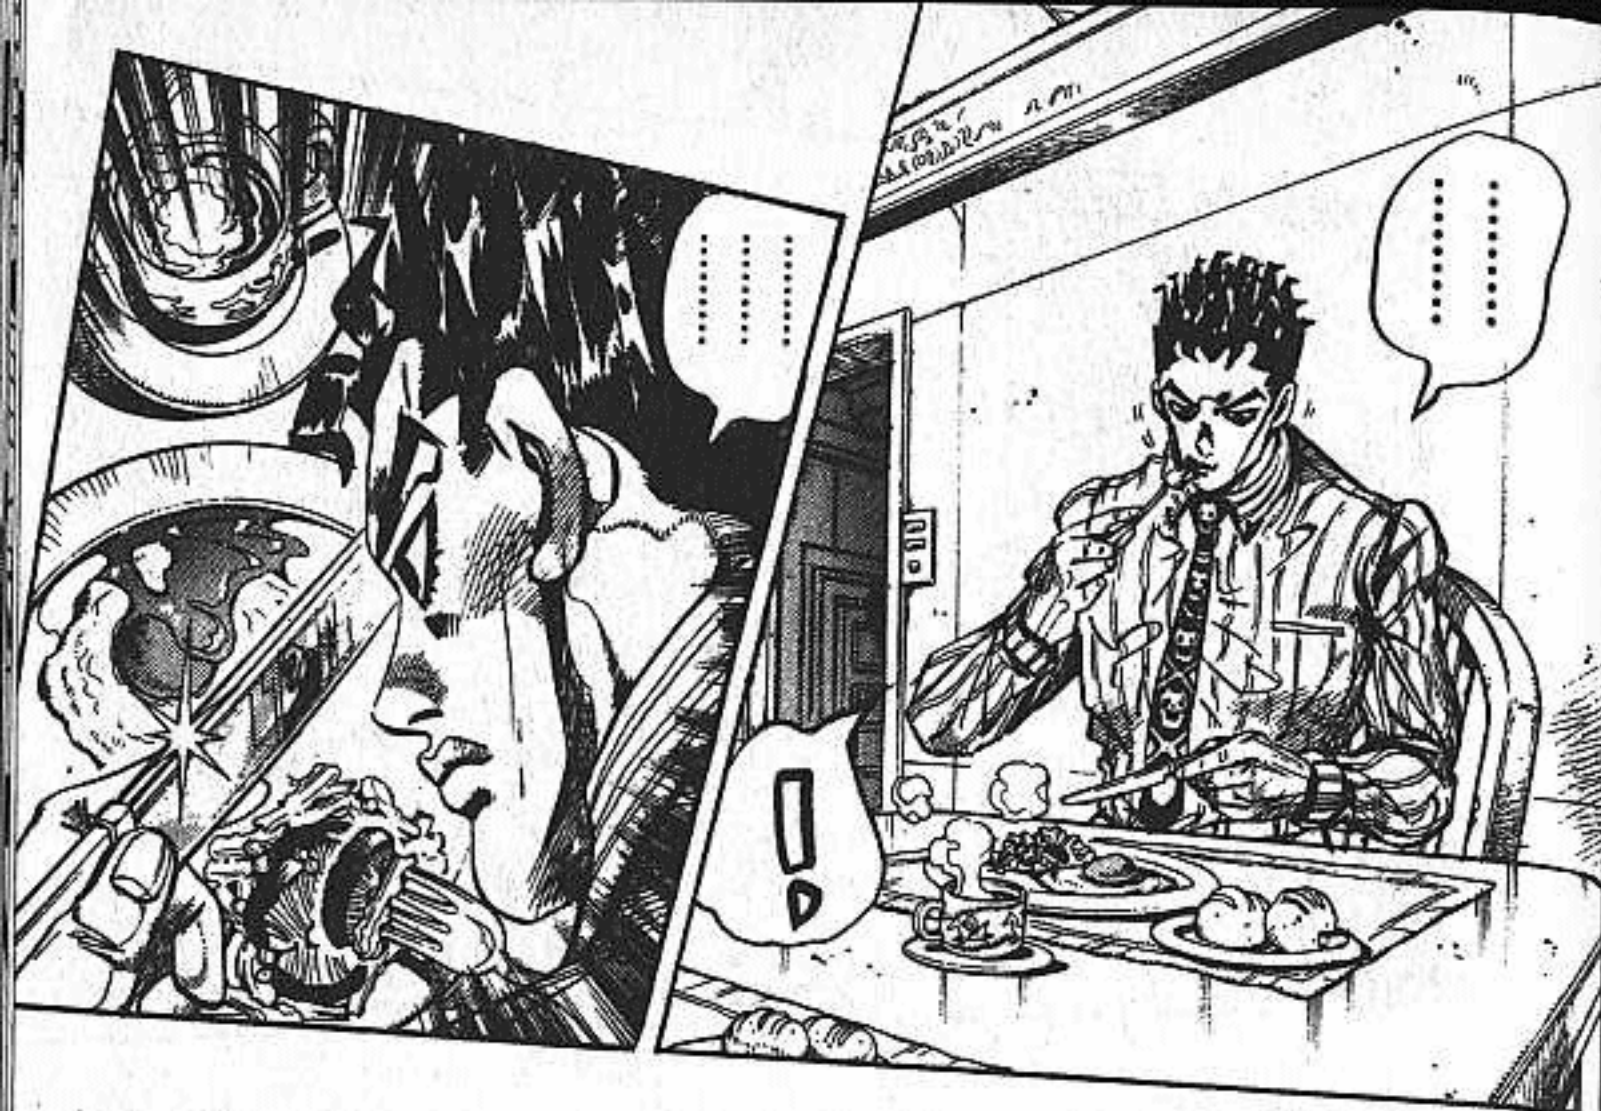

**leaf:** like regular plant

I am alive!

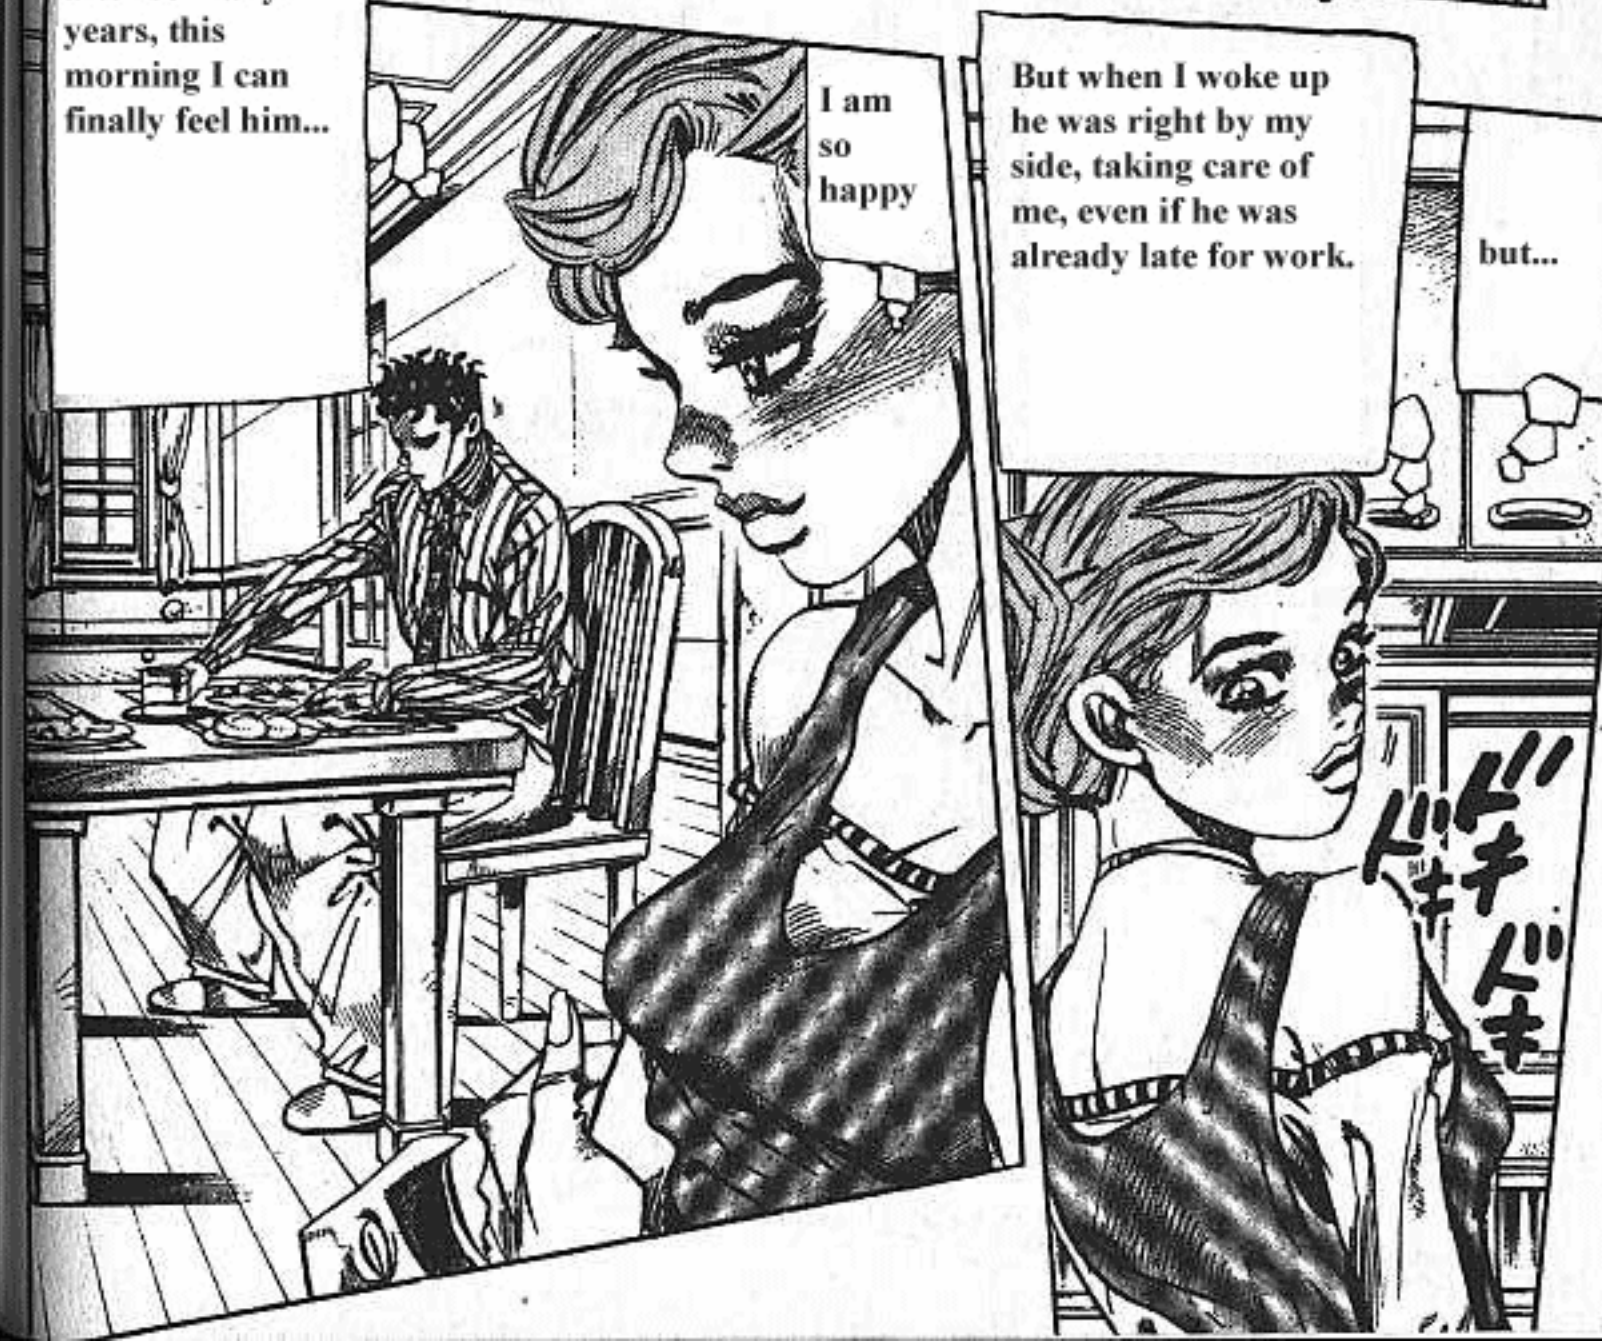

**Root** absorb water and nutrition from the soil, will crap from this part of the body... the body waste attract little bugs and worms, which will become its food or toy.

ON THE  
TOWER!

Does he live  
on the tower!?

There are  
all kinds of  
weird people  
in the world

I see, the wood  
he uses to  
cook, are all  
over the bottom  
of the tower.

cucumbers  
right above...

Fishing from  
the river under  
the tower!

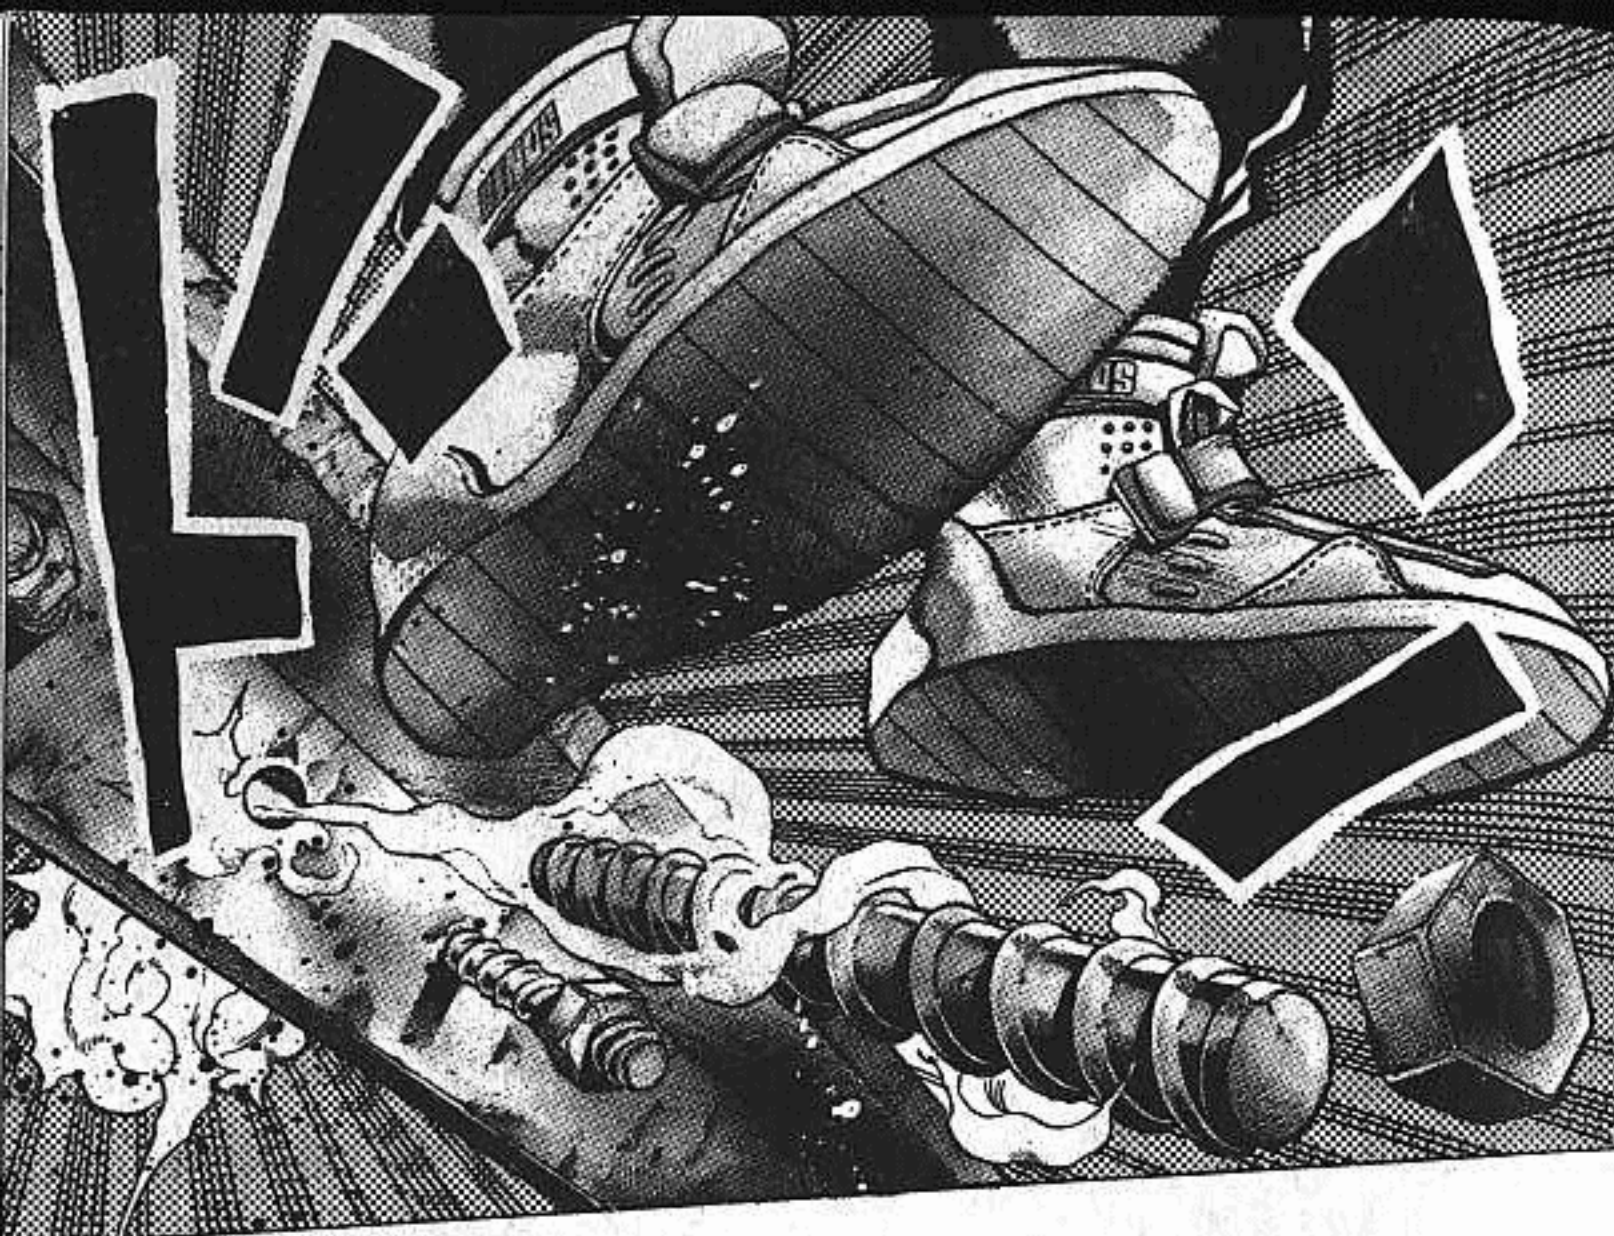

so  
conven-  
ient

This way  
he doesn't  
need to leave  
the tower,  
ever...

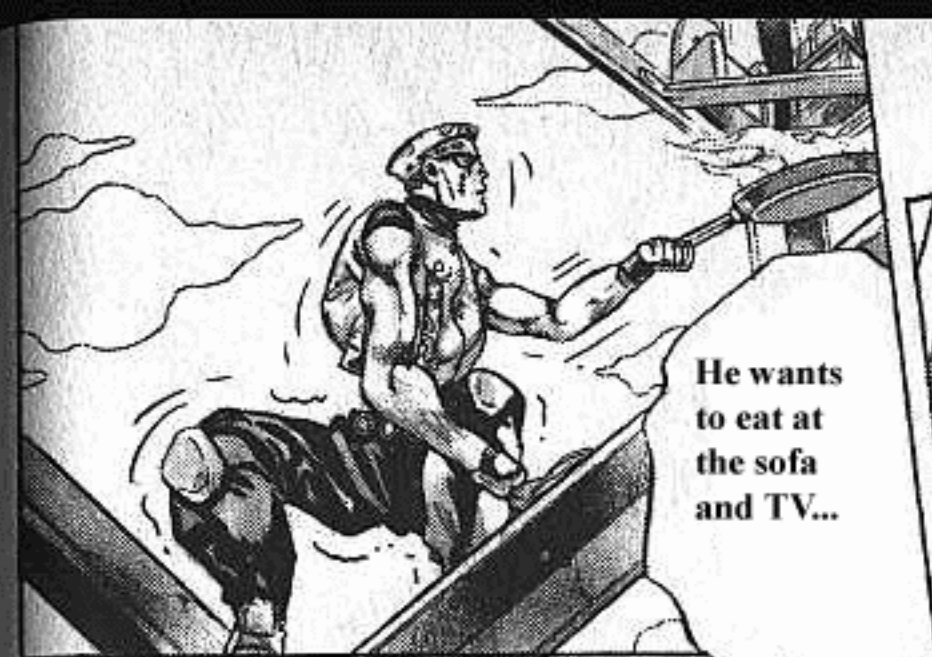

he can  
cook and  
eat without  
even standing  
up

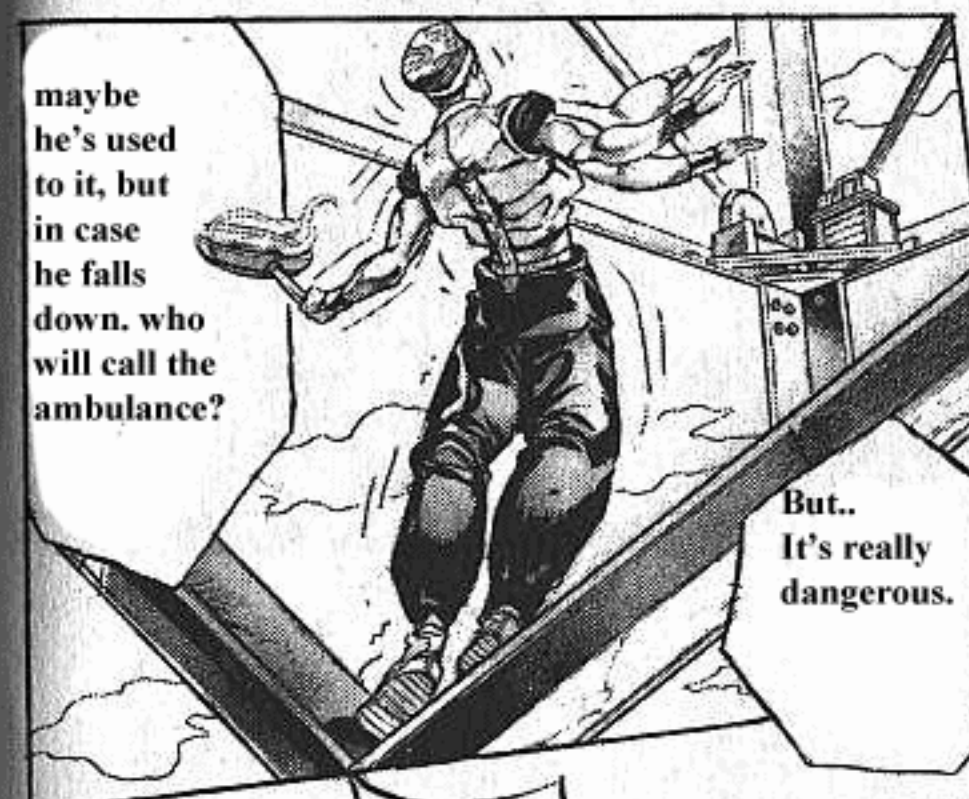

咦...!?

He wants  
to eat at  
the sofa  
and TV...

喔!

maybe  
he's used  
to it, but  
in case  
he falls  
down, who  
will call the  
ambulance?

But..  
It's really  
dangerous.

Looks like  
the fish is  
fully  
cooked... he  
started  
walking...

that guy  
stood up...

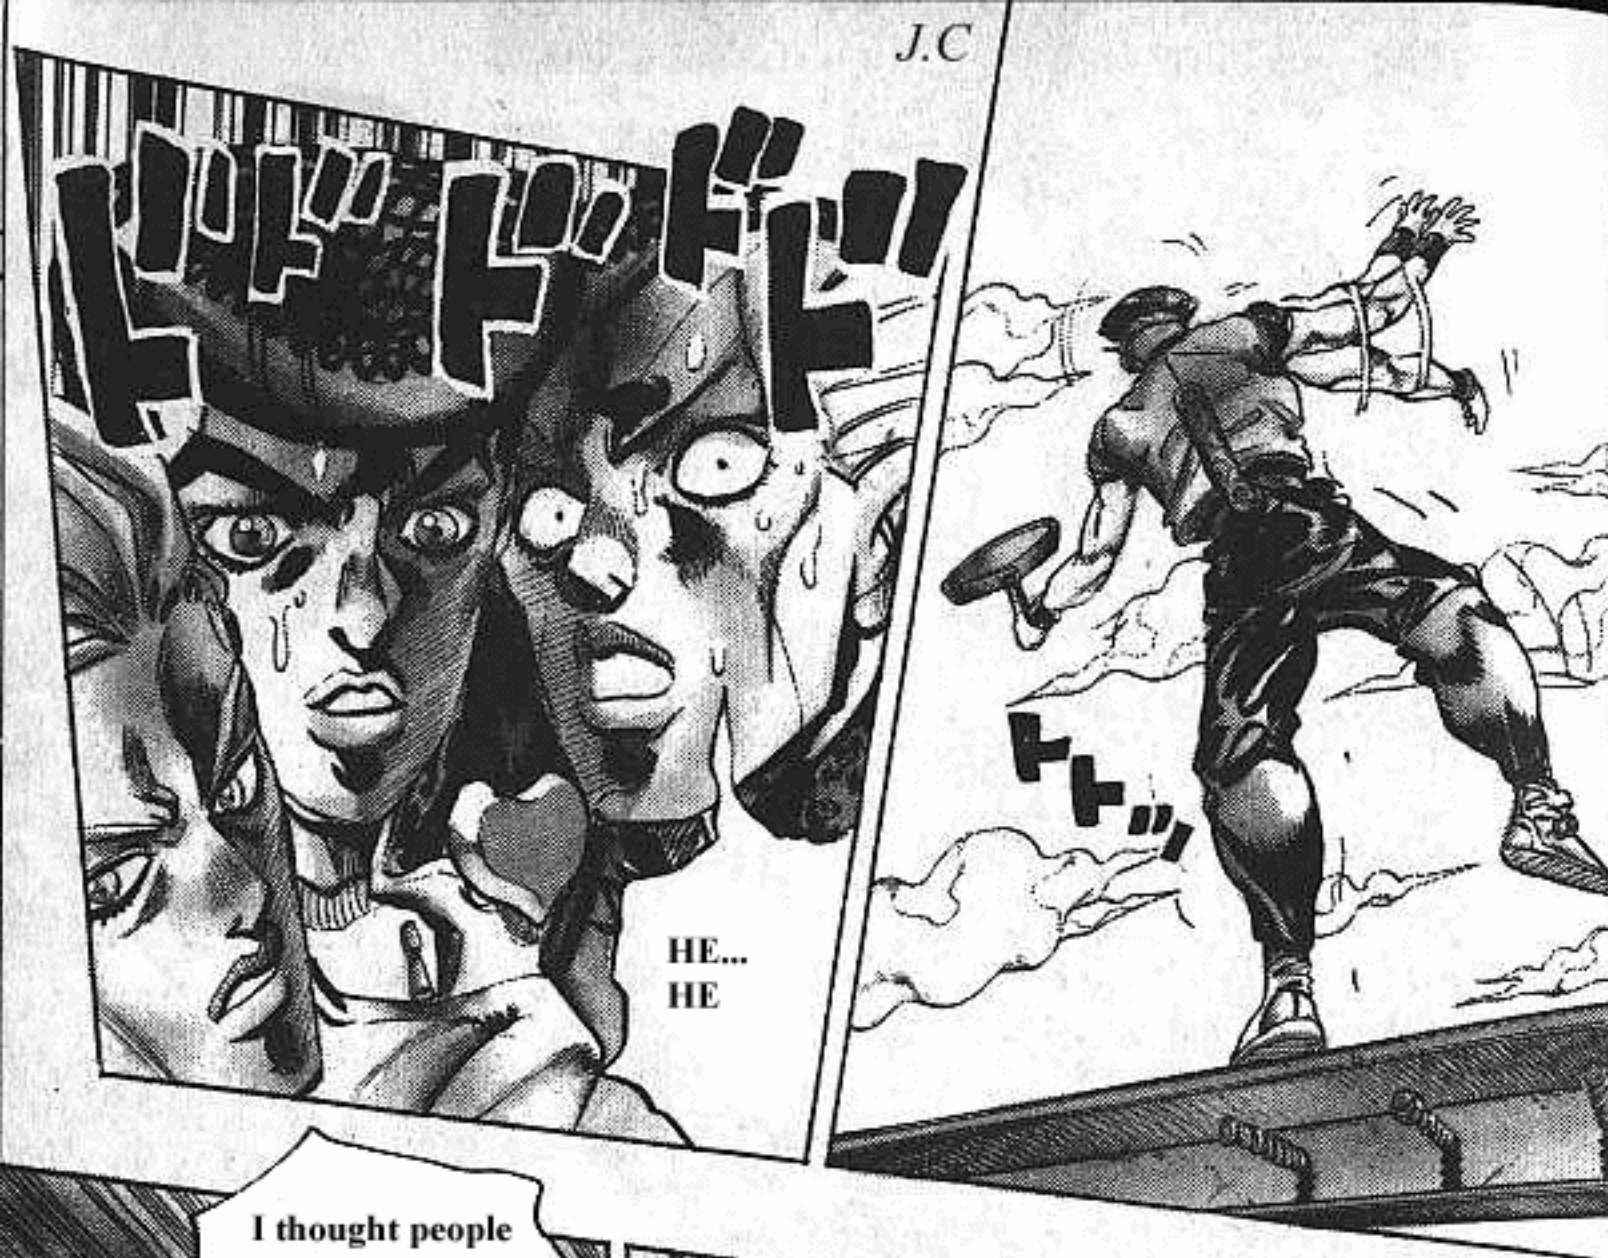

HE  
FELL!

WHAT?!

HE...  
HE

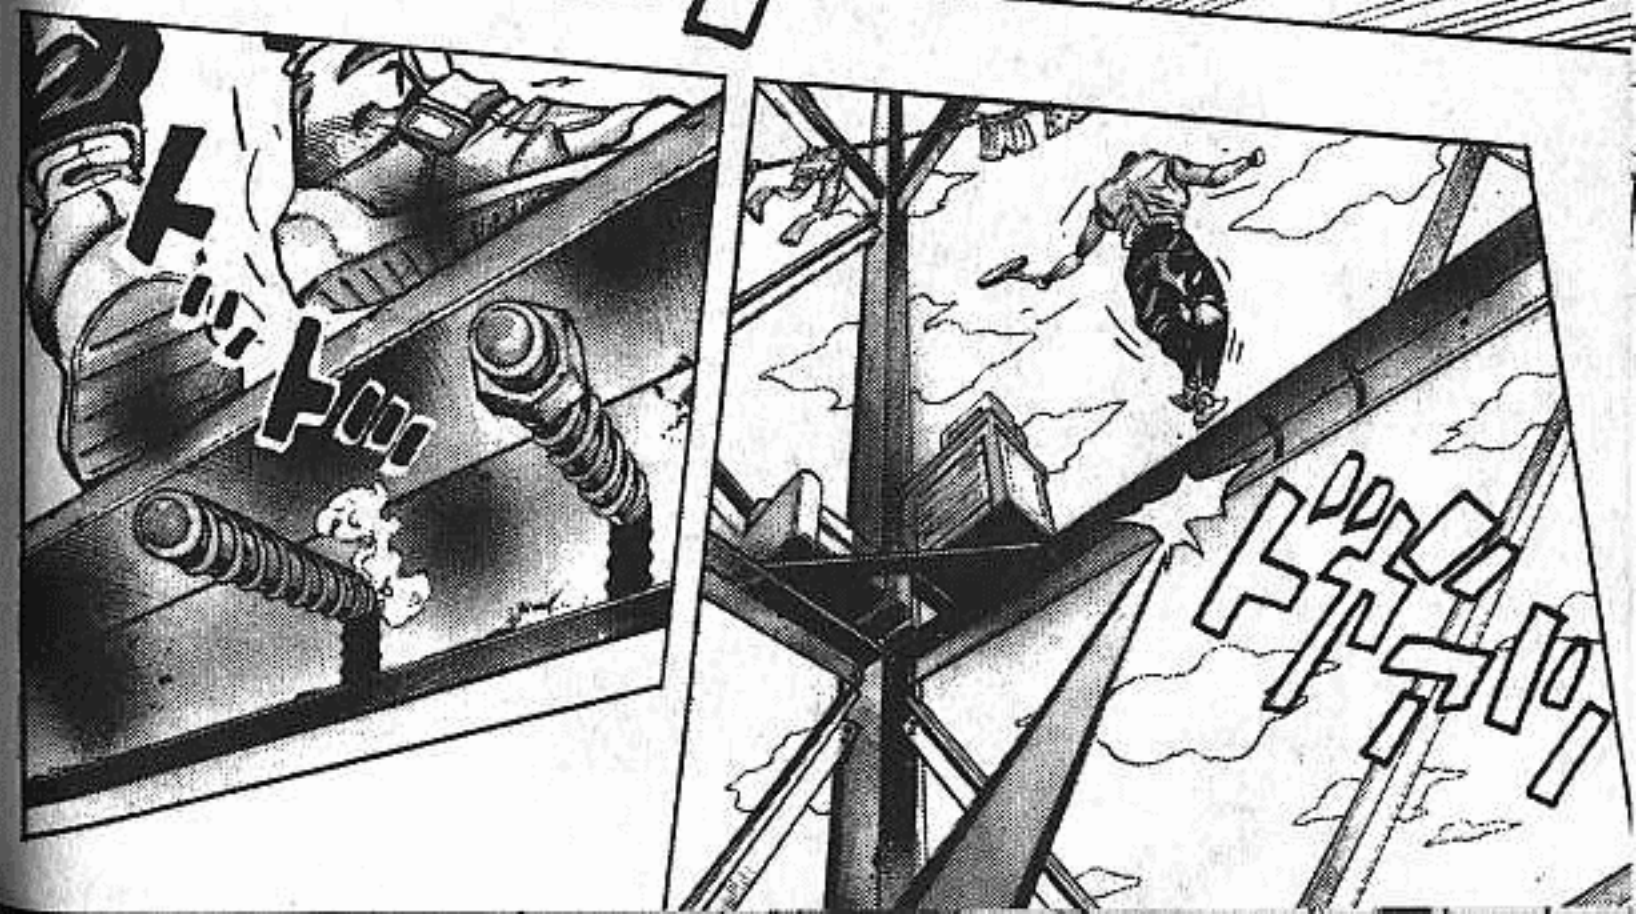

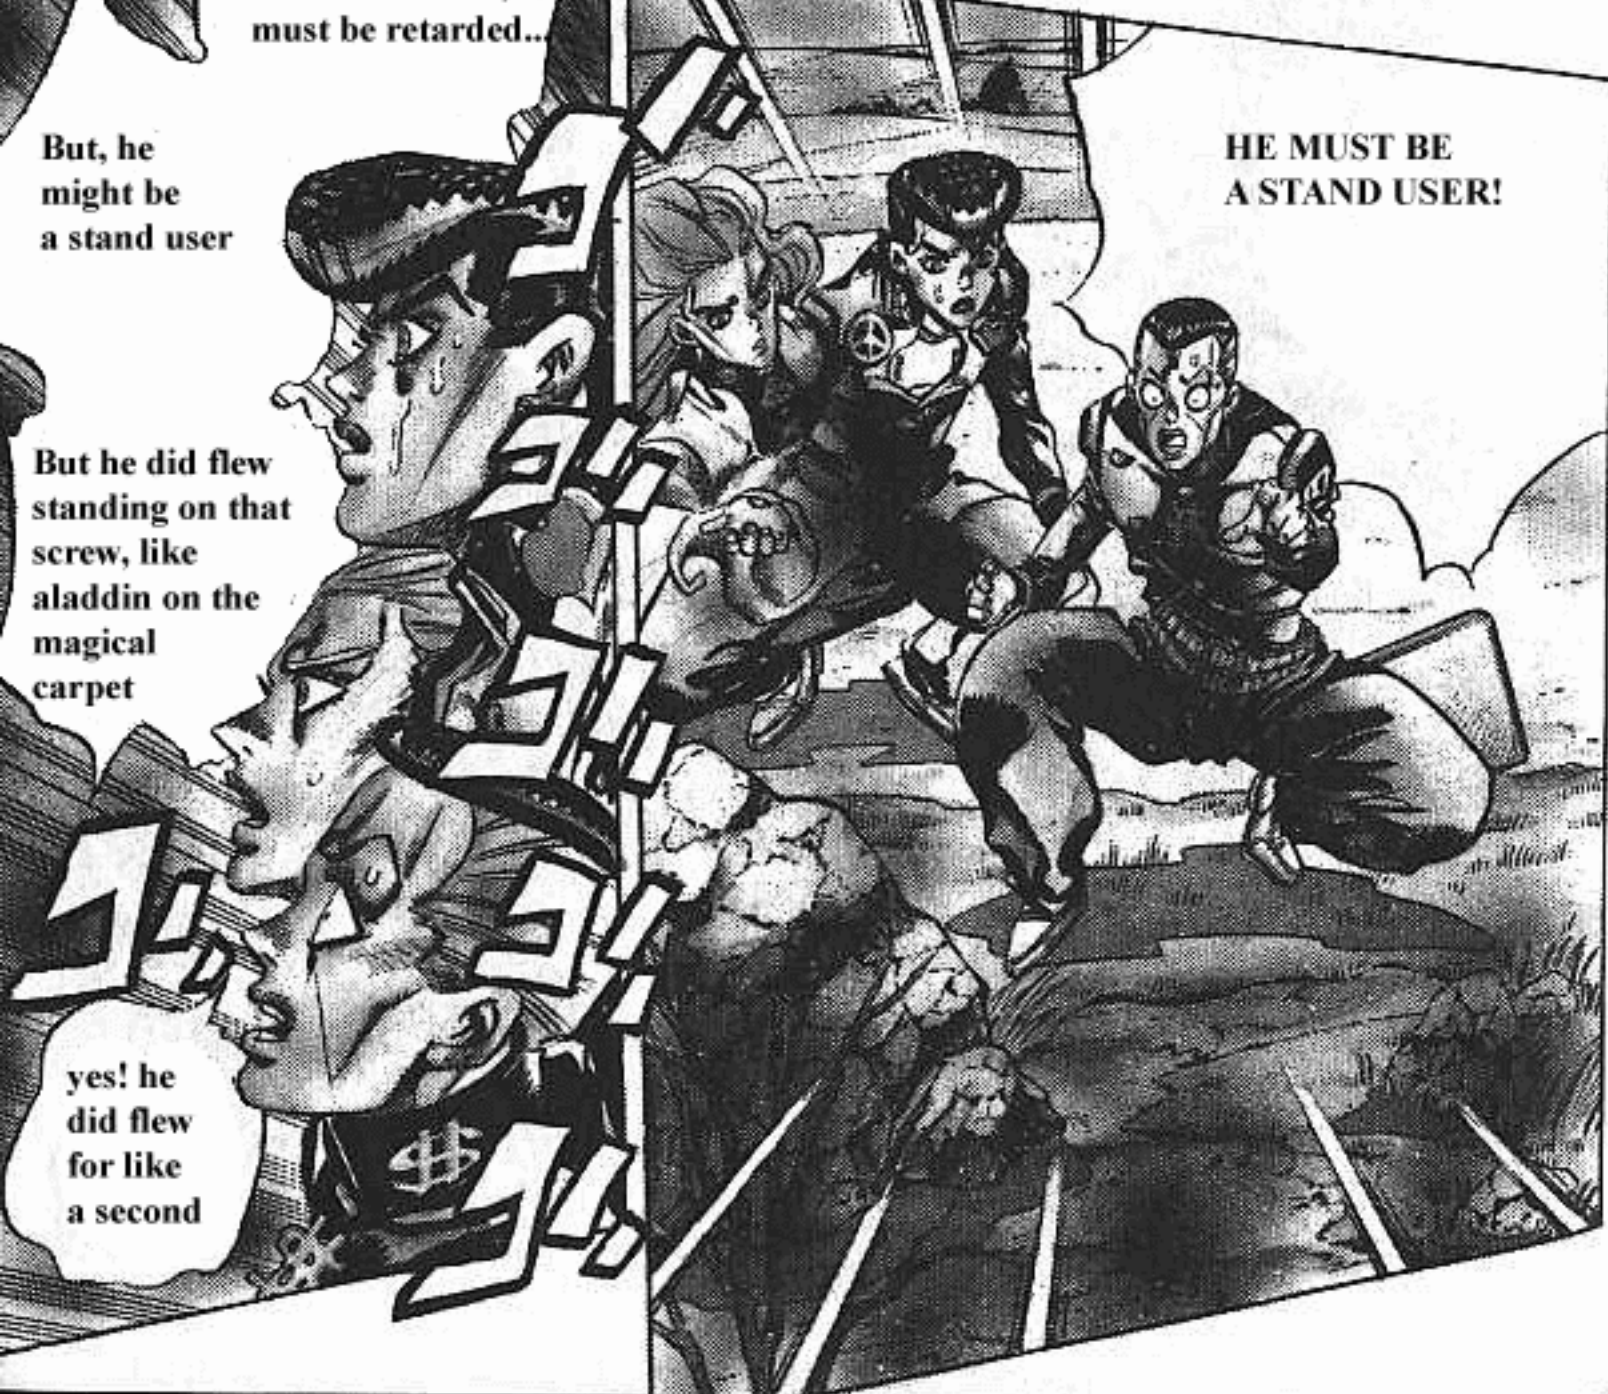

I thought people  
who will do this,  
must be retarded...

But, he  
might be  
a stand user

HE MUST BE  
A STAND USER!

But he did flew  
standing on that  
screw, like  
aladdin on the  
magical  
carpet

yes! he  
did flew  
for like  
a second

someone  
is finally  
here...

I saw  
you guys...

But.. what  
is he doing  
there? what's  
a stand user  
doing on that  
tower?

We need to  
find out who  
he is and why he  
is staying on the  
tower!

Come, come....  
interested in me?  
just come here.... heh...  
I haven't talked to  
anyone besides myself  
for a long time...
